Colonel John "Dick" Niemela, USAF Ret., Reston, Virginia. Dick is a newcomer to the Identity fold, but as a dedicated Christian, once he learned his Identity, he has become an ardent student of Israel history, and a superb example of **"Study to shew thyself approved unto God, a workman that needeth not be ashamed, rightly dividing the Word of Truth."**

With a military background consisting of years as a combat pilot and serving in a staff capacity in Europe, he is a dedicated patriot and a man I'm honored to call my friend.

His research and reports have been a blessing to me and many others in the Christian Israel Patriot Movement.

SATAN'S KIDS AND THE GERMAN CONNECTION!

INTRODUCTION

This book was originally published over ten years ago and has been out of print for some time. After many requests for this book, and because of the seriousness of this time, I have prayerfully rewritten the text to bring it up to date.

I pray that it will prove to be a blessing to you and open the eyes of some of our **brainwashed brethren,** in the Judeo-Christian church, who are Israelites and don't know it; so they will stop subsidizing their worst enemies, and begin to sincerely, "Occupy until He comes!"

"We are interested in the goods of others; we are solely interested in pure power." (George Orwell in his book **1984**)

Today, the Free World, made up mostly of the basically White Christian Nations, sometimes called **Christendom** are drifting at an alarming rate into the totalitarianism

of Orwells **1984.**

In one country after another, opposition parties have been banned, and the press has been controlled, while the people have been deprived of their natural right of self protection, by banning their right to "keep and bear arms."

In each of these countries religions, especially that of Christianity have been banned as offensive to the state, while an Elite Inner Party has taken over complete control. Yet every totalitarian nation, flaunts it's democracy. The perfect example is in Africa, where every Black nation that was once under White Colonial control, is today infinitely worse off in every aspect under Black democratic control. These are not speculations but observable truths.

What of America? "Sweet land of Liberty?" Is it possible that **"1984"** might happen here? Most people, including many who go by the name Christian, will laugh at the dangers posed by Zionism and will label me as a **hate monger,** or even worse an **anti-Semite,** which is worse to many Christians than blasphemy against GOD.

The Apostle Paul warned us about this time in **2 Timothy 4:3,4** where he says, "For the time will come when they will not endure sound doctrine; but after their own lusts (longing for material things) shall they heap to themselves teachers, having itching ears; And they shall turn away their ears from the truth, and shall be turned unto (Jewish) fables." He strengthens this statement in **Titus 1:10,11** where he says, "For there are many unruly and vain talkers and deceivers, specially they of the circumcision (Jews): Whose mouths must be stopped, who subvert whole houses (households), teaching things which ought not for filthy lucre's (money) sake." Then in **verse 14** in the same chapter he says, "Not giving heed to Jewish fables, and commandments of men, that turn from the truth." My, how careful the church world is to bypass these verses.

In **2 Thessalonians 2:9-12,** he tells us why we should heed this warning, "**...**after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the **truth,** that they might be **saved.** And for this cause God shall send them strong delusion, that they should believe a lie: That they might be damned (judged) who believed not the truth, but had pleasure in unrighteousness."

Today in 1999, the Christian church faces the most devastating assault which has been hurled against it in the 2000 years since the Jews first tried to stamp it out in the First Century A.D. Unless the Christian church is willing to **discern the sign of the times,** she could well end up being a willing agent of the enemy. Already many so called Christians are, without knowing it. She could easily find herself glibly mouthing enemy slogans in the name of our Savior, Jesus Christ.

Who are these enemies?

I have before me as I write, a letter mailed on August 8, 1966, from the Jewish Community Council of Metropolitan Houston, addressed to **MEMBERS OF THE COMMUNITY RELATIONS COMMISSION OF THE JEWISH COMMUNITY COUNCIL,** and signed by their chairman Malcolm F. Sher, M.D. Here are parts of this letter applicable to the subject under discussion.

"The purpose of this meeting**...** at the Jewish Community Center, is to note the intrusion

of religion in the public schools, specific the religious pageantry at Christmas time. (Can you guess which religion they are referring to?)

"We feel the time to understand and prepare for our role concerning this Christmas celebration in our public schools, should be held now, during the summer months, so that we might be better prepared to take a course of action. Now is the time we must discuss this problem."

This is a mild example of the manner in which Satan's Kids are harassing Christians, while ultimately, according to the word of their International leaders, they are planning to "drive God from the skies, and destroy White Christian Civilization."

One of the most amazing phenomena of the Twentieth Century, is how a group of people, numerically small in number, who hate our Lord Jesus Christ and His church, have so completely fooled the vast majority of Christendom into accepting them as God's Chosen, while lavishing on them countless billions of dollars which should have gone for God's work elsewhere.

While many Christian pastors bow down before the Talmudic idol of International Judaism, and world politicians cringe before the power of the Zionist horde, they are left free to destroy our most cherished traditions, and our country itself.

What has brought about this curious and potentially fatal situation, where God's enemies are elevated to a position of honor by the very men who have been ordained to **preach Christ's Gospel and Coming Kingdom?**

Why do our politicians walk in fear before this insatiable alien minority? Can White Christian civilization be delivered from this bondage before it's to late?

In this book, I will attempt to discuss this tremendous problem in terms that the average layman can understand. As a foundation for this discussion, I will use a book titled **THE CONQUEST OF THE WORLD,** written by Major Osman Bey in the late 1800's and translated from French into English by Dr. F.W. Mathias. Original copies of this book may be found in the London Museum. Strangely enough, for obvious reasons, it has disappeared from the major city libraries of New York, Chicago, and other large cities.

The Jewish question is one that must be faced and answered by every Christian. If the power which is now attempting to strangle the Church of Jesus Christ is to be defeated and the Kingdom Movement on earth be set up as foretold in the Scriptures, this evil must be defeated.

I pray that God, through the leadership of His precious Holy Spirit, will use this book as a means of educating our people to truths they may not know, and to dangers they face. May it stiffen our **backbone** for the trying days which lie ahead, and keep us **Occupying until He comes!**

FACTS EVERY CHRISTIAN SHOULD KNOW ABOUT THE INTERNATIONAL ZIONIST

CONSPIRACY TO CONTROL, YOU AND THE WORLD

Strangely enough, Judaism is the only religion you may not discuss with impunity. You can go to the library and find books on Mormonism, Seventh Day Adventist, Roman Catholicism, protestantism and even if you desire heathen religions such as Mohammedanism, Buddhism, Satanism, and Wicca. When you look for information on what Jews believe and teach an immediate veil of secrecy goes into place which conceals their real motives. This in itself should arouse your suspicions.

Dr. Benjamin Freedman, a distinguished Jew who served as an advisor to seven presidents, converted to Christianity late in life, and realizing the danger posed by Jewry to his new faith, began to expose Judaism for what it really is.

In his book FACTS ARE FACTS, a letter written to a Jewish colleague who had converted to Roman Catholicism, he revealed some secrets of Judaism that are important for our understanding of the problem. Fully understanding the fact that the Jews of today are not the descendants of Abraham, and knowing the truth of Christ's statements in **Revelations 2:9 and 3:9,** that refers to "Those who say they are Jews and are not, but are of the synagogue of Satan", he refers to them as **so called Jews.**

In **FACTS ARE FACTS,** he mentions a significant truth, **"...**no institution in our modern society can long survive if its structure from the start is not erected on the **FOUNDATION OF TRUTH.** The Christian church was first erected on this very solid foundation by its founder Jesus Christ. To remain so, it must maintain this foundation. The deterioration, the disintegration, and finally the destruction of this structure of the Christian faith, will be accelerated in a direct ratio to the extent that misrepresentation and distortion of truth is allowed.

"Without you becoming aware of the fact, the methods you employ contribute in no small degree to dilution of the devotion of countless Christians for their Christian faith. For every **ounce** of good you accomplish by the conversion of **self styled Jews,** you create a ton of harm in another direction. It is well known fact, that many **counterfeit** conversions by Jews, have proved to be **infiltrations by latent traitors with treasonable intentions.**

"Countless Christians standing on the sidelines in this struggle, see their Christian faith 'withering on the vine' and about to drop into the lap of their dedicated enemies. This cup is made more bitter for them, as they observe this unwarranted and unjustified ignorance and indifference on the part of Christian clergy."

On with our story about the control Satan's Kids, have developed over our Christian nation.

The Board of Governors of the Federal Reserve Banks meets behind closed doors and has more power than our government. They were responsible for the depressions of 1921, and 1929, and are now toying with an ever greater one, which will cause the Great Depression to look like a Sunday School picnic by comparison.

In 1900 an interesting document titled **THE PROTOCOLS OF THE LEARNED ELDERS OF ZION,** showed up in the literary world. Immediately World Jewry and

their stooges in Christian pulpits declared it to be a forgery. Apparently in their struggle to protect Judaism, they forgot that in order to have a forgery, you must first have an original. The forger does his best to make the forgery look like the original to **hoodwink** people. The question in my mind is not whether this document is a forgery or not, but the fact that International Jewry has been following it, point by point, like a blueprint, for the last hundred years.

PROTOCOL XX says: "Economic crises have been produced by us for goyim (non-Jewish animals) by no other means than withdrawal of money from circulation." This statement, made about 1903, referred to the panic of 1893, which was caused by the sudden withdrawal of a large amount of gold from the New York Stock Exchange. The money panics of 1907, 1921, and 1929 were caused in the same way, and thousands of Jews became millionaires, almost overnight, as they bought up property from bankrupt Gentiles for a few cents on the dollar. This same manipulation is underway today, where the same people are making profit from America's blood, sweat, and tears. To those of you who believe it can't happen again, let me say, "enjoy the false prosperity you are receiving from the Jew controlled Administration of President Clinton, for it's shattering end is just around the corner.

In line with the Protocol Plot, the Rothschild's lent money to both sides during World War I, and subsidized Hitler's rise into power in German prior to World War II. Without these loans, neither side could have fought a war, since neither side had fully recovered from World War I. International Judaism wanted a Gentile War, which would bring the world into a state of chaos, from which they could impose their One World Government. They almost made it through their stooge, Woodrow Wilson in 1913. He desperately wanted to get America into the League of Nations, only to be stymied by a still then, patriotic Congress.

Wilson brought us into World War I to bail out the Jewish banking interests which had elected him President. Powerful Jews, as now in the Clinton Administration, were put in charge of our government. Men like Bernard Baruch, who headed the War Industries Board, Paul Warburg, head of the Federal Reserve and Eugene Myers, who controlled the **left wing** pro-Zionist Washington Post, and also headed Allied Chemical and Dye Company. He was made head of the Liberty Loan Drive. Baruch spent over 10 billion dollars of Allied money during World War I, giving the choicest government contracts to his Jewish friends.

Baruch became a multi-millionaire by fleecing the American people, and although these facts were well known in Washington D.C. so great was the power of Zionism in our government that no legal action was ever taken against him.

Baruch, along with Henry Kissinger another Jew who came to prominence during World War II, were probably two of the most dangerous Zionist plotters, and both of them spent their lives carrying out the PROTOCOL PLOT, while representing themselves as **American Statesmen and Advisors to Presidents.** Both of them pretended to be patriots, protecting American interests in wars their own gangsters had started.

It was this same group of amoral (having no morals) Internationalists who squeezed German financially, as they laid the ground work for the destruction of this Christian country in World War II. The Jew, Samuel Untermeyer brought about an economic boycott of Germany in 1933, as I will discuss later, and few Americans understand that as early as 1900, International Jewry had a war chest of a billion dollars set aside for the

destruction of Christian Germany. Their **war cry** at that time was, "first we will take Christian Russia, then we will conquer Christian Germany, and go on to conquer Asia, and Africa, finally when America is surrounded, with no friends, they will drop into our laps like overripe fruit." We are very close to that point in 1999.

The purpose of World War II, was to do in Germany, what Jewish plotters had done in Russia in 1917, and eventually established worldwide Communism. While we Americans have been **brainwashed** into believing that Adolf Hitler was an evil man, the proof of the matter is. that he was destroyed because he was the head of a Christian nation, who **kicked over the traces,** and refused to obey their Zionist masters. For this he had to be destroyed.

Today this same group of International plotters is engaged in another effort to start World War III.

In fact this war, along with World War I and II, were planned by General Albert Pike, the former Confederate General, over a hundred years ago, after he became a leader in International Masonry. The aims of Freemasonry, and International Judaism for a One World Government are very similar and there is much cooperation between these two powerful groups. Both of them worship Lucifer, rather than Almighty God and are determined to bring the World under his control.

Their plan was for World War III, was to bring the world under Zionist control, presided over by International Jewry, with **gentile stooges** in government and religion to front for them. They plan to exhaust the nations through continuous warfare, until we fall under their control. This scheme is clearly shown in their textbook on **PSYCHOPOLITICS,** (available from Scriptures for America, P.O. Box 766, LaPorte, CO 80535, for a donation of $5.00). Here they say, "We must be like a vine upon a tree. We use the tree to climb, and then, strangling it, grow into power on the nourishment of its flesh. We must strike from our path any opposition and use for our tools, any authority that comes to hand." This is why they show no mercy for those who are unfortunate enough td come under their control.

In this same textbook, page 30, they say, "Obedience is the result of force. Concurrent with force is brutality**...** The most barbaric, brutal use of force, if carried far enough invokes obedience, savage force, sufficiently long displayed towards any individual, will bring about his concurrence with any principle or order.

"Any organization that has the spirit and courage to display inhumanity, savageness, brutality, and an uncompromising lack of humanity, will be obeyed. Such a use of force, is itself, is an essential of greatness."

This concept is so contrary to Christian teachings, that it is difficult for our people, especially those who have been **brainwashed** by enemy propaganda, to believe.

Why were the American people pounded with "Cold War" propaganda against the Soviet Union, when Jews controlled not only Russia, but England, France, Germany, the United States, and a host of other countries? The present crisis in Serbia is of the Jewish making and they brought it about deliberately, to further weaken us and place us in an **economic straight jacket.** While this Cold War was going on, at least twelve major occasions I can recall, when this **Evil Empire** as it was called, was on the verge of economic collapse, our government stepped in and bailed them out with billions in

relief, when we could not even pay off the interest on our national debt to the Zionist gangsters.

Have you ever wondered why President Truman formed a five man civilian Atomic Energy Board and then appointed four Jews as members? David Lilienthal, who has known by the **FBI** to be a member of two Communist front groups, was made it's Chairman. The other Jewish members were W.W. Waymach, R.F. Bacher, and Lewis D. Strauss.

Was it because he could find no Christian gentiles to fill these posts? Don't be silly! Why did he appoint the Jewish, Austrian born Professor Arthur Burns as his economic advisor? Could it possibly be because the **PROTOCOLS** say Jews must occupy the top positions as economic advisors of the country under conquest?

Today, our President William Clinton has gone overboard in appointing anti-Christ Jews to high government positions. Although he claims to be **born again Christian Southern Baptist,** he has not appointed one White Anglo-Saxon to a high government position. Here are a few of the Jews who now occupy high position in our government, listed alphabetically:

ADLER, Karen - Director of State Department Policy.

ALBRIGHT, Madeline - Secretary of State.

APFEL, Richard - Chief of Social Security.

BERGER, Samuel - Head of National Security Council.

BOSKIN, Stanley - Economic Policy Advisor.

SPERLING, Gene - Head of National Economic Council.

TARNOFF, Peter - Deputy Secretary of State.

TENET, George - CIA Chief.

WAXMAN, Seth - Acting Solicitor General.

YELLEN, Jannet - Head Council of Economic Advisors.

These are but some of the more than 100 Jews, Clinton has appointed to high government positions.

Why did the Swedish Jew Ike Eisenhower appoint the Jewess Freda B. Hannoch to be Chairwoman of the Federal Communications Commission, and the Jew Samuel F. Groner to be her assistant? Could it be because the **PROTOCOLS** say, "We must control all communications of the nations under conquest?"

When Anna Rosenberg, (who had attended Communist meetings and was a member of several Communist Front Groups) hired 10,000 people for the Manhattan Atomic Energy Project, (according to the **NEW YORKER,** September 15, 1945) these included the Soviet Jewish spies Julius and Ethel Rosenberg, Greenglass, Sobel, Gold, and Klaus Fuchs. Sidney Fields, writing in the **NEW YORKER,** November 15, 1950, described the power of this Communist leaning Jewess in these words: "Tomorrow, Mrs. Anna Rosenberg assumes her duties as Assistant Secretary of Defense, in charge of the nation's manpower. She will be in charge of 115 U.S. Government Agencies." She went on to hire over a million people while she was in this position. Since then (1950) the Red Network she set up in Washington, DC has never been completely dismantled.

When Klaus Fuchs, the Jewish Atomic Energy traitor was jailed in Canada and brought to the United States for prosecution, it was through the efforts of the Jew Albert Einstein, that he was released.

This story has been repeated in every Administration up to this time, as they bowed under the pressure of International Zionism. It's no wonder that a high ranking Israeli official could brag with impunity, "We have the best Congress money can buy!" Today, at least 70 of our 100 U.S. Senators, pretty much vote the **straight Israeli ticket.**

During the Kennedy era, we had such Jews as Abraham Ribicoff, Secretary of Health, Education, and Welfare, and Arthur Goldberg, Secretary of Labor. Under President Johnson, we find men such as Nicholas Katzenbach, Attorney General, and Wilbur J. Cohen, Secretary of H.E.W. While Nixon was President, we had one of the worst of all, who is still going strong in International Affairs the KGB **double agent** and German Jew, Henry Kissinger. As some of you will remember, he filled the powerful position as Secretary of State, and another Jew, James Schlesinger as Secretary of Defense. President Ford had William Simon, Secretary of the Treasury; Edward Levi, Attorney General, while President Carter had W. Michael Blumenthal, Secretary of the Treasury; Philip Klutznik as Secretary of Commerce, and Neil Goldschmidt as Secretary of Transportation.

The **great conservative** Ronald Reagan had a whole flock of Jewish birds in his nest, 72 in all, each appointed, and not one elected by our people. The Administrations of every President since Woodrow Wilson during World War I, has been under at least partial Jewish control. The result, as George Wallace once said, "There isn't a dimes worth of difference between the Republican and Democratic Parties," in that time span. No matter which one has been in the driver's seat, the power behind the throne, has been Zionist. This is hard for patriotic Americans to swallow and is why Harold Rosenthal, Administrative Assistant to the Jewish Senator from New York, Jacob Javits, could boastingly say, "We Jews continue to be amazed with the ease by which Christian Americans have fallen into our hands. While naive Americans waited for Khruschev to bury them, we have taught them to submit to our every will." This is why God warned His Israel people that they must not allow "strangers to rule over them" and why in **Deuteronomy 28:43,44** we read the end result, "The stranger that is within thee shall get up above thee very high, and thou shalt come down very low**...** he shall be the head and thou shalt be the tail." If you can't see how this has happened, it's because you have **buried your heads in the sand**. Today, in 1999, the closing out year of this age, we are a conquered people, and have lost our freedom through default.

Today, we see the confusing sight of a Christian nation of more than 260 million people, as they are controlled by a minority that numbers less than 2% of our population.

While Christians in America have been willing to open our doors and share the benefits of America with the Jews, they are not satisfied and want us to run things their way.. They want it all! The Jewish author Maurice Samuels, in his book **YOU GENTILES** said, "We Jews, are the destroyers, and we will remain the destroyers, there is nothing you can do to satisfy us, for we need a world of our own."

Today, whenever Jews are accused of doing anything contrary to **good order,** they raise the plaintive cry of **anti-Semitism,** which is a misnomer, since the vast majority of Jews are not Semites, but Turco-Mongolian by descent. Every Prime Minister of the "mini state" in Palestine has come from this Oriental background. This needs to become

corrected in Christian minds, with Christians not to become anti-Semitic, but **Jew conscious.**

If any people, or group of people are guilty of crimes against the American people, they should be publicly tried, condemned, and punished. The Jews must not be allowed to be free from this Law of civilized nations. The Jewish Anti-Defamation League of the B'nai B'rith Lodge, and the American Jewish Congress are subversive agents of a foreign government, operating illegally on American soil without permits. They operate contrary to the good of America, and the welfare of the Israeli is the first order of business in their lives. They must not be allowed to continue this deception and should either answer for their many crimes, or be forced to leave the country.

You may say, as many Christians have, "Why condemn all Jews?" It is because the Jewish communities of America, for the most part cooperate with the illegal activities of Zionism. After all, **REMEMBER** it was **ALL** the Jews who condemned Christ to death and said, "His blood be on our heads and those of our children." (**Matthew 27:25**) Even though an occasional Jewish voice is raised against the evils of World Zionism, still the Jewish people as a whole, have developed an arrogance which places them above the law, or so they believe.

This can be emphasized by a story that made it's rounds in Washington, DC during the Carter Administration. It concerned a meeting that was supposed to have taken place between God, Breshnev, Carter, and Begin. The Soviet leader asked God: "Will there ever be a time when there is peace between the Soviet Union and America?" and God replied: "Yes, but not in your life time." Then Carter asked: "Will there ever be a time when Black and White people will get along on friendly terms?" and God replied: "Yes, but not in your life time." Then Begin asked:

"Will there ever be a time when Jews and Goyim will be able to get along? and God replied: "No, not in My life time!" This high lights the statement made by our friend the Apostle Paul in **1 Thessalonians 2:15,** where speaking about the Jews he said, and they please not God, and are contrary to all men.

While Jewish apologists like Jack Van Impe say the Jews were kicked out of every country in Europe at some time or other, because they are God's Chosen people and Satan hates them. This cannot be true, for it would contradict the words of our Savior Himself in **John 8:44** when He told the Jewish leaders, "Ye are of your father the devil, and the lusts of your father ye will do." For a second witness, turn to **Matthew 23:15,** where Jesus again, speaking to the Jewish religious authorities accused them of going sea and land to make converts, only to "make him twofold more the child of hell then yourselves."

It's sad indeed, that millions of Christians in America, would rather listen to men like Van Impe, Robertson, Falwell, and others who back these Christ haters, calling them God's Chosen, when their Savior tells them differently.

Benjamin Franklin, our "elder statesman" during the Revolution, had many encounters with Jews and warned the 1787 Constitutional Convention in Philadelphia, "Gentlemen, 'In whatever country Jews have settled in any great numbers, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated. They have sneered at and tried to undermine the Christian religion, have built up a State within a State, and have when opposed, tried to strangle

that country financially.

"If you do not exclude them from the United States in this Constitution, in less than 200 years they will have swarmed in such great numbers, that they will dominate and devour the land and change our form of government. If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance, while they will be in their counting houses, rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all times, your children will curse you in your graves. Jews, gentlemen, are Asiatics, they will never be otherwise."

Our forefathers did not listen to this wise man and today, they control this nation.

Jeremiah, the Old Testament prophet wrote about these people in **Jeremiah 9:5,,** where he said, "They deceive every one his neighbor, and speak not the truth: they have taught their tongue to speak lies, and weary themselves to commit iniquity." Any Jew who has been taught from their holy book, t has been schooled in this deceit!

The risen Christ, further exposed these **pseudo-Jews** in **Revelations 2:9; 3:9,** when He warns about, "of them which say they are Jews, and are not, but are the synagogue (congregation) of Satan."

In **Luke 11:49-51** Christ said, "Therefore also said the wisdom of God, I will send them prophets and apostles, and some of them they shall slay and persecute: That the blood of all the prophets, which was shed from the foundation of the world, may be required of this generation; From the blood of Abel unto the blood of Zacharias**,...** It shall be required of this generation." Their own writers have said, "Our major vice of old, as of today is parasitism. We are a people of vultures living on the labor and good nature of the rest of the world. But despite our faults, we would never have done so much damage to the world if it had not been for genius for evil leadership**...**

The shame of Jewry comes not from our being the bankers and old clothesmen of the world. It comes rather of the stupendous hypocrisy and cruelty imposed on us by our fatal leadership.

"Read for yourself, the story of the progress of Jewry through out Europe and America. Wherever they have come they are welcomed, permitted to settle down and join in the general business of the community. One by one the industries of the country close to them because of their unfair practices... until it is impossible to longer hold in check the wrath of a betrayed people. There is violence and, invariably, an ignominious ejection of the whole race from the land. There is not a single instance when Jews have not fully deserved the bitter fruit of the fury of their persecutors."

"Their (Jew's) disease is a sort of moral gonorrhea known as Judaism and seems, alas, to be incurable. The results, as any good doctor will tell you, are invariably treacherous and unhealthy. If you are in doubt, take a look at any Jew ridden country in Europe. Then if you need any further convincing, take a look at what's happening in America.

"It is my belief that nothing the Jew does in America is essential to its welfare. On the contrary, a great deal of what the American Jew does is in subversion of America's best interests." (The foregoing remarks are not from an anti-Semite, but came from a book titled **"JEWS MUST LIVE",** by the Jewish author Samuel Roth, published by the Golden Hind Press of New York City.)

While the Christian Church, has gone into **all the world, to** proclaim the Good News of the Gospel, as our Lord commanded, they have never been very successful in reaching Jews, in spite of the exaggerated claims of **"Jews for Jesus".** They are **fixed people** when it comes to their hatred of Jesus Christ and Christianity, and genuine change over's to Christianity are rare. As Benjamin Freedman said, "There are many phony conversions for the purpose of infiltrating and destroying the church from within."

In fact, as early as 1286 A.D. a Protocol to the Jews of France ordered them, "Make of your sons clerics and priests, so that they may infilter the Christian church and destroy it from within." It has been found in numerous cases, that when Jews have converted to Christianity, it was because they were adopted children and had no Jewish blood in their veins. Jesus pretty well covered the reason why they did not respond to Him, in **John 8:43** when He asked, "Why do ye not understand my speech? even because ye cannot hear my word." This was followed by His accusation, in **verse 44, & 45** "Ye are of your father the devil, and the lusts of your father ye will do**...** And because I tell you the truth, ye believed me not." **Verse 47** of the same Chapter, says, "He that is of God heareth God's words: ye therefore hear them not, because ye are not of God." How much plainer could He have been? Then in **John 10:26,** to clear up any misunderstanding He said to the Jewish leaders, "But ye (Jews) believe Me not, because ye are **not of my sheep,** (Emphasis is mine)

The Apostle John preached to a people who had been brought up in the Jewish faith, in the "tradition of the Elders", which meant under Talmudic teaching. He had been an eye witness to the murder of His Lord, and probably was present when they said, "His blood be on our heads and that of our children." It was impossible that he could have had another people in mind when he spoke about the murderous spirit of Cain in **1 John 3:12.** He echoed about Cain, what His Lord had said about the Pharisees in **John 8:44.** This did not make him a **SEEDLINER.**

The entire book of **Jude,** is a frank discussion of Jewish characteristics, God had made many covenants with Israel and the original Judah, but there is no record that He ever made a covenant with a people called the Jews. (I was about to say a **race** of people called Jews, when it suddenly dawned on me, that there is no such thing, any more than there is **race of Christians.)**

No where in the Bible can you find where people called Jews were defended as, or called the Chosen People. This is a Jewish myth, manufactured by the Rabbis for goyim consumption, and Christianity has swallowed it **hook, line,** and **sinker.** The Jews have been a mixed, mongrelized people since they returned from Babylonian Captivity. They came back, (a tiny percentage of them) as a heathen mongrelized throng, with the new religion of Talmudic Judaism, that superseded the old and respected religion of Hebrewism under Moses. When they bragged to Jesus in John 5 how they followed Moses, He replied in **verses 45-47.** "Do not think that I will accuse you to the Father: there is one that accuseth you even Moses, in whom ye (say ye) trust. For had ye believed Moses, ye would have believed me: for he wrote of me. But if ye believe not his writings, (and they did not) how shall ye believe my words?"

Both books of **Ezra** and **Nehemiah** show this mongrelized throng as they returned from Babylonian captivity. They brought back with them a heathenized religion that had admixed with the occult worship of Babylon, against which God had warned again and again. It contained the worst features of Baal worship and heathenism.

The eighth chapter of **Ezekiel** envisions this abomination, but it is to lengthy to quote here in it's entirety. Here are some hints. The angel who spoke to Ezekiel told him to dig in the wall of Jerusalem where he found a gate. The angel told him, "Go in, and behold the wicked abominations that they do here**...** all the idols of the house of Israel, portrayed upon the wall round about. And there stood before them seventy men of the ancients, of the house of Israel with a censer in his hand;" and then the angel told Ezekiel "You have seen what the ancients of the house of Israel. do in the dark **...** for they say, 'The Lord seeth us not; the Lord forsaketh the earth!" In **verse 16** of that same chapter he tells how he saw twenty five men worshiping the sun, with their backs towards the temple of the Lord and their faces towards the east and the sun, so even though it mentions Israel, we know .he is speaking about Jews, because this takes place in Jerusalem, in the temple.

A close honest study of Jewish history will reveal to any honest person, that the tribe of Judah absorbed so many of the Canaanites and became so involved in Canaanite practices, that they completely lost their identity as Hebrews.

The Canaanites, following the lead of their father Cain, were a demon possessed people. Evil spirits do not drown in a flood, and while Noah was a perfect man in his **BLOODLINE,** there is nothing in the Bible which indicates that his wife and sons were perfect in righteousness. I am inclined to believe that the Black race came into being, when Noah's son Ham, cohabited with a Pre-Adamic woman aboard the ark. (We know they were there for the Bible says that at least two of every living species was on the ark.)

The fact that Noah's grandson Canaan, had a curse pronounced on him in **Genesis 9:25** indicates that evil spirits were active **this side of the flood.** There was only one Jew among Jesus disciples and that was Judas Iscariot, who was picked by Jesus for the special purpose of betraying his Master. Jesus said of him in **John 6:70** "Have not I chosen you twelve and one of you (Judas) is a devil?" In **John 13:26,** we are told how Jesus gave Judas a sop (morsel of food, usually soaked in wine) at the Last Supper and when He gave it to Judas, "Satan entered into him." In other words he was **demon possessed.**

In **Acts 13:6** we read about a Jewish prophet who tried to hinder the work of Paul and Barnabas and speaking to him in **verse 10,** Paul uses some picturesque language, "O full of all subtilty and all mischief, thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord?" This has been the Jewish way from their beginning, when dealing with Christ and Christians. Today the Judeo-Christians church is making a bed-fellow of those who vowed to destroy them. Strange and sad, isn't it?

There is no way you can explain Jesus' statements in Matthew **23:15,** and **Luke 11:50,** unless you understand that Jesus was spiritually correct, when he called the Jewish people **children of Satan.**

Our Fundamental churches are inspiring the Jewish enemy to intensify their self rebellion against God, by calling them His Chosen. If the truth were told in Judeo-Christian pulpits, the Jew would come tumbling down from his lofty perch. Nowhere were the Jews and Canaanites, (and the words are inter-changeable) ever promised rulership of the world. The Judeo-Christian world, unsuspecting it may be, but true never the less, has put a cloak of respectability around the shoulders of the most vicious

enemy the church has ever had, and are **cutting their own throats** in the process. How the Jewish leaders must laugh in secret, as they see the stupidity of the goyim sheeple leaders.

Referring again to Harold Rosenthal he said, "We (Jews) are amazed by the Christians stupidity in receiving our teachings and propagating them. Judaism is not only the teaching of the synagogue, it is the doctrine of most every Christian church in America. Through our propaganda, the Christian church has become our most avid supporter. This has given us a special place in your society, as they believe that we Jews are God's chosen people and they are Gentiles.

"The deluded children of the church defend us to the point of destroying their own culture. This truth should be obvious to any dullard when one views history and sees how your wars have been White fighting White in order to maintain control. We controlled England during the Revolutionary War, the North during the Civil War, and England and America during World War I and II. Through our influence on religion we were able to involve ignorant White Christians in wars against themselves which always impoverished both sides, (both money wise and manpower wise - MOHR) while we Jews reaped a financial and political harvest. Any time truth comes forth which exposes us, we simply rally our forces - the ignorant Christians. They attack the crusaders even if they are members of their own family." (Anyone who has ever tried to tell the truth about Jewry can attest to this fact.)

Cain hated the **blood sacrifice** which was necessary for the remission of sin. (see **Hebrews 9:22**) The Canaanite Jews hate the idea of blood atonement and no people can be God's people who hate the shed blood of God's Son, Jesus Christ.

Trace religious **modernism** that scoffs at the **blood atonement,** of Jesus Christ, and nine times out of ten, you will arrive at a Jewish source. It was Jewish **Higher Criticism,** that has done more to destroy true Christianity in the last Century, than any other thing. These blasphemers (many of whom are White Christian Israelites) have gone so far as to make plans for the removal of every reference to Jesus Christ in the New Testament that is offensive to the Jews. The Jews in turn, has done nothing and will do nothing to remove much more offensive parts against Christians found in their religious book, the Talmud. This means that all references to the **shed blood** of Jesus must go and there can be no Christianity with out this belief. The Apostle John put it very strong in **1 John 2:22,23** when he said, "Who is a liar, but he that denieth that Jesus is the Christ? He is anti-christ, that denieth the Father and the Son. Whosoever denieth the Son, the **SAME HATH NOT THE FATHER."** (Emphasis mine!)

How can you get around this verse when dealing with Jews? Then add **1 John 5:10** which says, "He that believeth on the Son of God hath the witness in himself: he that believeth not God hath made him a liar; because he believeth not the record that SATAN'S God of His Son." I don't see how it could be made any plainer. Yet such is the perversity of human nature, that man will see the **truth,** and refuse to recognize it. For over fifty years, I was in spiritual blindness. I loved the Lord, and said I believed His Word, yet I accepted the teachings of man, rather than what the Word said, as the prophesy of **Isaiah 29:13** came to pass - "Forasmuch as this people draw near Me with there mouth, and with their lips do honour Me, but have removed their heart far from Me, and their fear toward Me is taught by the precept of man:" Our Lord quoted this in **Matthew 15:8,** and went on in **verse 9 to say,** "But in vain they do worship Me, teaching doctrines the commandments of men." Most Christians would get angry if you

accused them of doing this, but this is exactly what they do when they accept Jewish teachings in place of our Lord's own words.

Unless Christians are willing to stand against this **Jew led program** of humanism, we will soon be unable to send a Bible through the mail, or witness to a lost person outside our own home. Already programs are underway, as you know, to take the Name of Jesus out of public schools, and remove it from government offices, and public functions. This vicious drive is almost without fail, lead by the anti-Christ Jews who control the A.C.L.U. (American Civil Liberties Union)

Almost all cases to remove Christian symbols from public life at Christmas and Easter, are brought by Jews, and prosecuted by Jews. Yet in many cases, they have the backing of **so called** Christian pastors. They do not want to do away with these holidays, as they make too much money off the goyim who support them. They just want to take Christ out of all Christian celebrations, even the church.

These once Christian festivals, have been turned into a heathen saturnalia, complete with a fat little Jewish god dressed in a red suit they called Santa Claus, magical reindeer, and at Easter time a bunny that lays colored eggs. Talk about Jews fables, (**Titus 1:14**).

The Jew led Revolution in Russia cost over 35-million dead, far exceeding the **blown up figure** of 6-million Jews in the World War II **Holocaust.** Since then, over a 100-million died, and are still dying under this Jewish terror, many of them Christians who were not **RAPTURED,** when the enemy took over. Have you ever wondered why the Jewish media, TV, and Hollywood never bring this to our attention, while the Jewish **HOLOCAUST,** is constantly being pounded down our throats?

Why was the most vicious persecution by Jewish-Communism in Russia against Roman Catholics, Pentecostals, and Baptist? It was because these three groups, more than any other Christians, believed in the necessity of **blood atonement.** The very Fundamentalists who support the anti-Christ Jews, and have raised them to the position or respectability, are the ones who will suffer most if World Zionism ever takes over control of America. The first one's to go will be the Jerry Falwell's, the Pat Robertson's, the Jack Van Impe's, and the David Webber's, who brag about being Christian Jews. Yet these seemingly intelligent men, have allowed themselves to become blinded to the obvious truth and are heading our people down the pathway to Communist and Jewish terror.

The very word **Cain,** signifies a love for worldly things, and the Jews motto is: "The gelts the thing", (what you can get from the Gentiles, no matter what you must do to get it. It permeates the teachings of their sacred book the TALMUD). Referring to Harold Rosenthal once again, he said, "During Christ's time, we Jews were seeking a material and earthly kingdom but Christ offered the Jews a spiritual kingdom. This they couldn't buy, so they rejected Jesus Christ and had Him crucified." He went on to say, "Money is more important than morality. We can accomplish anything with money. Our people are proving themselves in Israel and the kibbutz raised intellectual elements are going to build that little country into a mid-east wonderland. It will eventually be the base for World Government Headquarters."

What does God's Word have to say about this? Turn to Malachi 1:2-4, as God speaks to Israel, "I have loved you, saith the Lord. Yet ye say, Wherein hast thou loved us? Was

not Esau Jacob's brother? saith the Lord: yet I loved Jacob, And hated Esau, and laid his mountains and his heritage waste for the dragons of the wilderness. Whereas Edom saith, We are impoverished, but we will return and build the desolate places (what they are doing now in Palestine); thus saith the Lord of hosts, They shall build, but I will throw down; and they (true Israel) shall call them, The borders of wickedness and, The people against whom the Lord hath indignation for ever." So much for Mr. Rosenthal's predictions, the Word of the Lord shall come to pass!

The spirit of modern Judaism can be seen in many Jewish writings and in the actions of Jewish organizations such as the Anti-Defamation League. Listen to this statement from one of their leaders, "We intend to rule the world, and nothing you can do will stop us. We have our defamation committees and have all Christian preachers classified in our card index files. If any preacher dares say anything against a Jew, we will fix him."

When you consider that Jews make up less than 3% of America's population, doesn't it seem strange to you that they have taken so much power on themselves? This is true not only in America, but through the Israelite world of White Christendom. There are many intelligence documents available which prove without a shadow of a doubt, that Khazar. (Ashkenazi) Jews have been, and now are, in the forefront of Communist efforts to subdue the world. In spite of what you may have heard, even from conservative organizations such as Liberty Lobby, Communism is not dead. It has just changed it's name and is now called the New World Order. It is still controlled by the same International Jews, who have operated it from the beginning.

In the past there have been men such as Sam Carr (Cohen), the Communist Organizer in Canada; Fred Rose (Rosenthal), organizer of Communism in French Canada; the German Rabinovich was in charge of American Communists; John Gates (Israel Regenstreif), editor of the American Daily Worker, (a Communist rag) and Gus Hall (Hallberg), the perennial head of the American Communist Party for many years, who ran for President on it's platform. Hall was the man who bragged: "I will live to see the day, when the last preacher is strangled with the guts of the last Congressman.

"The Christians love blood so much, we will give them all they can handle, as we cut the throats of their children and drag them over the altar rails of their churches. May the parents drown in the blood of their own children." You folks who back the Jews, better look at statements such as this, for they reflect Jewish hatred for Christ and Christianity and are not idle threats.

The traitors to America in the last century, especially those who have given America's atomic secrets to the enemy, have been almost 100% Jews. There have been men like Harry Golden (Abraham Brothmann); Miriam Mosckowicz; David Greenglass, and Julius and Ethel Rosenberg, who were the ones executed and who have been made martyrs by the Jewish Community. Dr. William Perl of Columbia University, was arrested as part of a Communist spy ring. He had changed his name from Utterperi. The true head of the American Communist Party was another Khazar Jew named Gerhardt Eisler.

When asked why Jews often take Anglicized names, a Jewish spokesman said, "Jews are the most intelligent people in the world so if it benefits them to change their names they do so. That's all there is to it. They mix in your society which is plenty corrupt in itself - so while the Jews are benefiting themselves the dumb goy doesn't realize that these Jews with non-Jew names are Jews. Don't be concerned with Jews in the

Government who have changed their names, because in the forseeable future there will be no goyim Presidential power in the United States. Our Invisible Government will take over." (It should be noted, that for years, Jews in Hollywood and in the entertainment world, have changed to Anglicized names to hide their Jewish background.)

It has only since World War II, that Jewish power has noticeably increased in the United States. As long as France, England, and Germany were politically powerful, the Jews jumped on their **band wagon,** but as America became the most powerful nation internationally, suddenly the seat of International Jewish power switched from London, and Berlin, to New York City.

Along with this switch of power has gone an interesting, startling, and dangerous phenomenon, as we now see almost complete Jewish control over what was once called a **Free Press.** In 1840, a Jewish Council was called at Cracow, Poland. This was a sort of Ecumenical Council, where the most prominent leaders of World Jewry, from all factions, sat down for consultation. The object of this meeting was to find means of securing the triumphs of Jewry in their move towards world dominion. Different subjects were discussed. Some dealt with theology; some were in the field of politics; while others dealt with finances. A lively debate arose, during which a clear voice made itself heard, in the form of one of the world's most important Jewish authorities. He said, "What are we talking about? So long as we do not have the world press in our hands, all we say will be idle talk. In vain will you organize societies, loans, bankruptcies, and the like; so long as we have not the press in our hands to deafen and deceive the world, we accomplish nothing, and our rule will remain merely the platform of our brain." He was merely expressing what had been laid down in the controversial **PROTOCOLS, if 2, 5** "In the hands of the State today there is a great force that creates movement of thought in the people and this is the Press. The part played by the press is to keep pointing to our requirements. The Goyim States have not learned how to make use of this power, and it is now in our hands. Through the Press we have gained the power to influence others, while remaining ourselves in the shade."

His listeners recognized the Satanic wisdom of these words and a new light dawned in Jewry, which sent them in a new direction. They began an immediate campaign to control the world's news media. From that date in 1840, we have seen the effect of that Satanic project to turn the press of the world into an engine of war, a sort of artillery, which can be directed against any kind of obstacle that opposes Judaism.

I'm sure that many of my readers have had frustrating experiences in dealing with the Press. While articles favorable to Jews are printed without problem, it is like **pulling teeth** to get an article printed which discusses the Jewish questions with candor, even when the facts presented are documented. While many conservative Christian organizations are handled with contempt by the press, the A.D.L., the J.D.L., and most Jewish organizations are handled with **kid gloves.** It is rare indeed to see an article critical to International Zionism in a daily newspaper and the same is true in the field of book publishing.

The first class up for control became important newspapers such as the New York Times, The Washington Post, The London Times, Les Debats, and "Independence Beige in France.

At the present time (1982), more than 47 major weekly magazines, with

a circulation of over 79-million, are either directly owned or controlled by Jews. Listed below are a few of them:-

Name of Magazine	Circulation	Ownership or Control

Esquire	1,208,390	Stanley Spregel, V.P.
Sports Afield	1,123,686	Harrison Aaron Mitnick, Tresurer

In the even more important field of daily news, 909 major newspapers, with a daily distribution of 49-million, are jewish owned/or controlled as noted:

Name of Daily Paper	Circulation	Ownership or Control
Wall Street Journal	1,406,192	Warren Henry Philip, President
New York Daliy News	1,941,917	L. W. Gold, Advertising Manager
Los Angeles Times	1,000,866	Simon Ramo, Director

Washington Post	534,400	Katherine Meyer Graham, Chairman of Board
New York Post	517,982	Byron S. Greenberg, V.P.

NOTE: There may have been some change in ownership and control, as this list was made some years ago, and Jewish control has increased tremendously since then.

In addition to the above, there are more than 17 daily newspapers with a circulation between 250,000 and 500,000 which are Jewish owned/and controlled, including such newspapers as the San Francisco Chronicle, the Miami Herald, the St. Louis Post Dispatch, the Atlanta Journal, the Indianapolis Star, the Boston Globe, the Kansas City Times, and the Omaha Herald.

Add to this the nation's major TV networks - ABC, CBS, NBC, and Metro-Media, and the major Hollywood movie studios, and you begin to realize the tremendous control Jewry exerts over the thinking of the American public, including countless millions of Christians.

Public attention was called to this fact a few years ago, when General George Brown, Chairman of the Joint Chiefs of Staff and former Vice President Spiro Agnew, were forced to leave their jobs over remarks they had made about the Jews which were not considered to be politically proper. Both of these men suffered when they tried to warn their countrymen about the plans of Zionism.

A corporate director, or an editorial manager of Jewish descent, may not be Zionist, but it is reasonable assumption that his sympathies will coincide with those of International Jewry, especially when his job depends on it, and this feeling, no doubt will be translated into biased accounts which interfere with any objective reporting of the news.

The bias of a news director can easily be passed down to his subordinates over lunch, cocktails, or even in the executive washroom. As you must know, pay and promotions usually depend on the good will of the boss, and very few reporters have the **guts** to buck the boss' wishes.

Within a large newspaper chain, such as those owned by the New York Times, or the Knight-Rider Newspapers, Inc., individual papers may vary in their editorial positions on many issues, some may be pro-Republican, while others will be pro-Democrat. When it comes to Jewry, they will be 100% pro-Israeli. Word from the top has a way of filtering down to the lowest reporter and if he wants to keep his or her job, the must **toe the Zionist line.**

The three major TV networks and Hollywood have been under Jewish control for a long time, and major newspapers such as the New York Times and the Washington Post have been under Jewish control from the beginning. Other once great newspapers such as the chicago Tribune which was at one Lime noted for its conservative Christian stand under the direction of Colonel McCormick, have now been taken over by Jews and serve Jewish purposes. The same is true with organizations such as Walt Disney World in Florida. Today under Jewish control, this once family oriented amusement park, has become the dwelling place of all kinds of **foul moral beasts,** while it's theme is now anti-Christian.

It is interesting to note that the so-called Wall Street Journal and the extremely liberal New York Times, cooperated in the defense of the Jew Helmuth Sonnenfeldt, who was counselor of the U.S. State Department under the Zionist Secretary of State, Henry Kissinger, when he was opposed by some in Congress to an appointment as Under Secretary of the Treasury for Monetary Affairs. These newspapers defended him when serious charges were brought against him, accusing him of transferring highly classified military information to the Israeli government. In their defense, the positions of these two newspapers were identical. The impact of this influence in the newspapers, is

compounded when we add **TIMES, NEWSWEEK,** and **U.S. NEWS AND WORLD REPORT,** to Zionist positions.

The major Jewish influence is on the few non-Jewish newspapers and commentators who are often forced into taking a Jewish stance in order to stay in business. The late Dorothy Thompson who was an influential commentator for years, lost all of her outlets, when she spoke out against Zionism. Joseph Kraft and C.L. Sulkenberger are two examples of pro-Zionists columnists, who while their stand was repugnant to many Christian readers, still held high paying positions because they are willing to **brown-nose** the Zionists. There is no need to speak out about men like Peter Jennings, who make great show on their TV programs, while being **paid prostitutes** of Judaism!

The Jewish mechanics in controlling small newspapers is to cut off it's advertising and shut off it's paper supplies. As a result, very few independent newspapers will buck the Zionist line.

There are several vicious Jewish commentators on TV, such as **CBS Sixty Minutes**, the **20/20 Show,** and at one time the **PHIL DONAHUE SHOW.** All these are distinctly liberal, pro-Zionist, and anti-Christian and are all run by Jews.

This Jewish control did not come about by accident, nor is it haphazard. It was a well designed plan to control the thinking of White Christians in particular, through a process known as **PSYCHOPOLITICS.** This is the art of controlling the thinking of a people under conquest, so that eventually you can completely control them physically.

Their constant campaign to brainwash Americans, especially White Christians, has brought about the conditions they need for complete world take over. Their textbook states that the end result of **PSYCHOPOLITICS** is to, "produce a maximum chaos in the culture of our enemy. Our fruits are grown in chaos, distrust, economic depression, and scientific turmoil**...** so use the courts, use the judges, use the Constitution of the country and it's laws to further our ends." A good example is their love for the First Amendment, as long as it applies to **Jewish freedom of speech.**

The plan to control national communications, presented in Poland in 1840, and which was first implemented in Europe, took root in the United States immediately following World War II, when the head quarters of International Zionism moved from London to New York City. The Zionists realized that both Britain and France were becoming **second class** powers and that world power had passed into the hands of a few, immensely wealthy, powerful Jews in America. Although both David Ben-Gurion and Golda Meier (the first Zionist Ambassador to the Soviet Union and an avowed Communist Sympathizer) wanted an alliance between the Soviet Union and the Israeli nation in Palestine, with a Communist label, they told Ben-Gurion that since most of his financial support would come from the United States, they did not want any alienation of American opinion. They argued, that in view of the open, democratic way of life in the United States, they would be able to dominate our political life, while this would be impossible in the Soviet Union.

The use of the Press by the Jewish minority, strengthens my arguments concerning International Jewish control. Coordinating business interests with those of politics, the Jewish run media has profited immensely at the expense of truth for our people. They have used the media as a **ring in the nose of a bull,** to control American politics. Until this Jewish Control is broken once and for all, misfortune, confusion, and continued

decadence will be the order of the day, until our people will revolt in a bloody revolution, or are lead docilely, into their International Slave Plantation. There will be no national liberation or regeneration as long as these **con-artists** control American thinking. That they believe a revolution is in the offing, can be seen by their vicious drive to get firearms out of the hands of the American patriot. They cannot take over control, as long as 70-million Americans remain armed. So they will use every means possible, including contrived violence to bring this about.

The United States is a nation young in tradition. We believe, rightly, that "brave men should stand between their homes and wars desolation." We are rightly being angered with being used as **guinea pigs** to fight the Jews wars, where only they benefit and we suffer the losses. The nomadic Jewish people, on the other hand are one of the oldest political entities in the world and Jewry was born under conditions that called for it extinction without a homeland. May I suggest you study **Genesis 4:9-18.**

The Jews for centuries have practiced the art of deception, until it has become a **second nature** to them. They have waged war for over 25 centuries and are taught the art of deception from the day of their birth. The very nature of their TALMUDIC religion is one of deception of the goyim. This means that there are over 4-million **combat ready** fighters deployed in the United States alone, who will rape, murder, and terrorize if necessary at the command from Jerusalem. Many of these have high positions in our Gentile governments.

While the government goes out of its way to strictly control all so called **right wing Christian movements,** and views with suspicion any movement which is meant to protect White Christian civilization, the Jews, through organizations such as the **JEWISH DEFENSE LEAGUE,** are free to train their fighters, using fully automatic weapons which are illegal for Christians to use. They are free to bomb Jewish synagogues, and desecrate Jewish graves and lay the blame on radical **right wing** organizations such as the **Ku Klux Klan**, or the **Neo-Nazis.** For the Nationalist Jews, "the end always justifies the means, no matter how horrendous this maybe", andthey have been known to kill thousands of their own **lesser brethren** (the little Jews), when it is deemed necessary for their success. The startling thing is that they have been able to fool most Christians into believing that of all people in the world, only they have this right.

INTERNATIONAL JEWRY ALWAYS FOLLOW THE FOLLOWING

FOUR PRONGED STRATEGY:

1. - Manipulate members of the host nation into helping the Jewish people, no matter how dangerous it may be to the welfare of the nation.

2. - If an individual refuses to cooperate, by-pass him and take care of him during **mop up operations.** This is an unbreakable rule of warfare.

3. - If the enemy actively resists, mark him for destruction and then destroy him through defamation brought about through control of the media, or by using the nation's **due process of law** through Jewish controlled courts and lawyers.

Listen to this idea espoused in their handbook on PSYCHOPOLITICS, Page 52: "Recruit every agency of the nation marked for slaughter into a foaming hatred of religion . . . You must suborn district attorneys and judges into an intense belief . . . that Christian practice . . . is vicious, bad, insanity causing, publicly hated, and intolerable. Just as in Russia we had to destroy, after many years of arduous work, the Church, so we **must** destroy **ALL FAITHS** in nations marked for slaughter. "This is the Jewish **TALMUDIC** plan for America.

4. - Never let any individual or organization in the host nation, use the media or the courts to counter-attack us, or for their own defense. Any close look at recent court decisions, will show this bias against Christians, since a majority of the Judges and attorneys are Jews.

This theory has been eminently successful in America, to the point that when a Jew attacks Christ or Christians it is considered acceptable as **freedom of speech,** but if the Christian is unwise, or brave enough to retaliate and expose the Jew's nefarious purpose, it is automatically classified as **anti-Semitism,** or a **hate crime.** Often Christians are ostracized by their own people, who are willing to believe the enemy, rather than their own. I experienced this when I left the Fundamental Baptist Church, in 1981, for the **Truth** of Israel Identity and the Kingdom Movement. I was immediately labeled an **apostate** by my own pastor, and in the intervening 18 years, not one Baptist pastor, has attempted to show me where I was wrong from the Word. They avoid me as though I had the plague.

If I as an Anglo-Saxon author, were to charge that my writings were not accepted in Fundamental churches, not because they were unscriptural, but because they would not pass Jewish censorship, there would be a great **hue and cry** coming from the Fundamentalist camp, and I would immediately be labeled an apostate. Not because I had departed from the "fundamentals of the faith," but because I no longer accept the anti-Christs of Judaism as God's Chosen.

Is the most powerful nation in the world, when measured by tangible armaments, totally unable to defend itself against treason from within, and an ideological war, waged by a handful of aliens against our very foundations?

Certainly America is unprepared for this war, when we have traitors against the cause of Christ, who stand behind the pulpits of this land, extolling the merits of the enemy. We have been infiltrated and the church has become the main source of our problem. We are told in **Jeremiah 23:22** - "But if they (the pastors of Israel) had stood in my counsel, and had caused my people to hear my words, then they should have turned them from their evil ways, and from the evil of their doings. "This wasn't happened in America, and it shows by the fact that with 50-million **born again** Christians in the country, we are headed for hell faster now than at any time in our history.

Most Christians, including their pastors know very little about the Jewish religion, other than what they read in their Sunday School literature, which may very well have been written by an unsaved Jew. The same is true of graduates from Seminaries and Bible schools, which have been heavily infiltrated by Jews.

Most Christians believe that Jews follow the teachings of Moses, although their Bible clearly shows them that Jesus told the Jewish authorities, "For had ye believed Moses, ye would have believed Me: for he wrote of Me. But if ye believe not his writings, how shall ye believe my Words?" (**John 5:46,47**)

There are very few Jews of Abrahamic blood and these are to be found among the group called **Sephardim, Mediterranean Jews.** The much larger group, possibly 90%, are of Oriental, Turco-Mongolian blood and their fore fathers never set foot in Palestine. These are the ones who have accepted the heathen teachings of the TALMUD, and are ruled in their religious life, by it's filthy, anti-God teachings.

Most of their ancestors came from a heathen group known as Khazars, from Southeastern Russia, who were converted to Judaism in the 8th Century A.D. May I suggest that you read the Jew Arthur

Koestler's book **"THE THIRTEENTH TRIBE."**

The vast majority of Judaism are atheists and agnostics. They believe the coming Messiah is the Jewish nation, as it rises to prominence and takes over control of the world, and this is what they live for. They look forward to the day promised in their TALMUD, when "every Jew will have 2,000 goyim slaves."

It is interesting to note that wealthy Jews in the fields of arts and culture refer to promising young talents as **stables.** Could this have something to do with the Talmudic teaching that "Only Jews are men and that all others, especially Christians are **goyim animals**? (TALMUD, Volume KERITHUTH (6b, page 78), or ORACH CHAIM (225,10), where Christians and animals are grouped together for comparison.

Like all conspiracies, the Jews have one glaring weakness. Their work must be done in secret to be successful. This is why they raise such a **stink,** when anyone exposes their nefarious purposes.

Their victims must not know what is taking place. They must be lied to, or be made so confused that they refuse to accept the obvious truth when **JUDAISM** is **EXPOSED.** If the Christian world ever accepts the truth about Judaism, they will be defeated! Jesus said, "Ye shall know the **truth,** and the **truth** make you free." (**John 8:32**) Truer words were never spoken!

This is why any honest attempt to expose Jewry is met with howls of anguish, from both Jewish leaders, and their Christian stooges. They immediately react by pinning the labels of **kook, dangerous-racist, anti-Semite,** or **Right wing extremist** on the exposer. The fact that he is telling the truth, only adds fire to their accusations.

Referring again to Harold Rosenthal, he stated, "Anti-Semitism does not signify opposition to Semitism. There is no such thing. It is an expression we Jews use effectively as a smear word - used to brand a bigot - anyone who dares to criticize a Jew. We use it effectively against hate- mongers." It is a term that has only recently been created, and has little real meaning, since the majority of the people we know as Jews are not Semites. The Jews use this tool to control and silence opposition to their repugnant ways.

When Jesus spoke to the Jewish leaders of his day, they openly revealed that they were not Israelites. Read it for yourself, **John 8:33** - "They answered him, We be Abraham's seed, and were never in bondage to any man:" Which could have meant only one thing. That they traced their ancestry to Abraham through Esau, which meant they were Edomites. We know from historical records that King Herod, who killed the Hebrew babies, and the Chief Priests of the Jews were Edomites. Don't let your pastor spiritualize this passage away, for it is essential in knowing the truth.

Because the truth will make Christians **FREE,** we see two Jewish programs at work in the world. The one is intended for **goyim** consumption, while the other is exclusively for Jews. No matter what a Jew may say to his **non-Jewish counterpart,** he will always be seeking a kingdom to come, on this earth, over which he will be the Supreme Ruler. This desire for a Jewish nation, according to their own writers, will be fulfilled, when the wealth of the world is in their hands and all mankind bows at Jewish feet. This could account for Jewish statements, such as that made by a Rabbi Reichorn, in 1856, at Prague, when at the funeral of another Rabbi he said, "Wars are the Jews harvests. With them we gather up the gold of the goyim while destroying them. We have already killed 100-million of them, and the end is not yet!" You will always find the desire for Jewish power and wealth, accompanied by **oceans of blood."**

There is little doubt that Henry Ford, Sr. the American Christian Industrialist was right, when he wrote in his book **"THE INTERNATIONAL JEW,"** "If the Jew were fully understood by the Gentiles, if Christian Churches for example, were freed from the delusion that Jews are Old Testament people, and if the churches really knew what Talmudic religion is, this misrepresentation would be impossible. This policy of misrepresentation succeeds, because there is a feeling, strongly

entrenched in Gentiles, that somehow the Jews are Chosen People and that it is dangerous to oppose them in anything; whoever opposes the Jews is damned. The 'fear of the Jews', is a very real element in their life. It is just as real among Jews, as it is among non-Jews, since the Jew himself is bound by fear of his own people and exercises in fear of the curse through the sphere of religion.

"If the Jews were really Old Testament people, if they were really conscious of a mission to be a blessing to all mankind (which was to be Israel's heritage, and has only been fulfilled in the Anglo-Saxon and related Christian nations) the very things in which they offend would automatically disappear. If the Jews are being attacked, it is not because he is a Jew, but because he is a source and life of certain tendencies and influences which, if they are not checked, mean the destruction of a moral society."

How true this **far seeing** man was. After spending years in research and over 8-million dollars studying the Jewish problem, he dame to these conclusions and as usual, International Jewry attempted to destroy him for speaking the truth.

Another great American, who lived many years before the time of Henry Ford, saw this same problem and came to. the same conclusion. This is taken verbatim from the **"CHRISTIAN LAW JOURNAL,"** No. 32, 1982, the official publication of the **GOSPEL OF CHRIST'S KINGDOM CHURCH:**

"As the American colonies rose in revolt against political oppression occasioned by the attempt of Jewish banking houses in Europe to consolidate their economic foothold in the New World, no man among the founding Father's was more alert to the designs of International Jewry, than that shrewd elder statesman of the American Revolution, Benjamin Franklin. Writing to John Adams from Passy, France, on November 26, 1781, Franklin declared:' I think that keeping us out of possession of fifty thousand pounds sterling worth of goods for securing of a demand for damages, is not only dishonorable treatment but a monstrous injustice. It seems to me. that it is principally with John Neufville of Amsterdam, Holland, we have to do; and although I believe him to be as much a Jew as any in Jerusalem, I did not expect that, with so many and such constant professions of friendship for the United States with which he heads his letters, he would attempt to enforce his demands by a proceeding so abominable. His proposition of terms on which he would borrow money for us stamped his character on my mind with an impression so deep that it is not effaced." From Albert Smythe's **"WRITINGS OF BENJAMIN FRANKLIN"**, New York, 1905.

De Neufville, was a Dutch Jewish International banking house that wanted to make a loan to Congress on the modest security of the entire Thirteen Colonies and with the stipulation that all American trade and exchange pay a commission on them. In another letter to Adams on December 14, 1791, Franklin remarked that such blood-sucking traits dated back a long way.

In another instance, Franklin revealed his loathing for Jewry in a poem on Benedict Arnold. It was replete with references to Arnold's association with the Jews. The inevitable Jew in the Arnold treason case, was a David Franks. It seems that Franks and the British General Sir Henry Clinton, were involved in illicit trading activities long before Arnold betrayed the American Army into British hands.

Franklin's most damning indictment of Jewry was contained in his famous prophecy at the Constitutional Convention of 1787 in Philadelphia. In one of the most anti-Jewish utterances of all times he declared: "I fully agree with General George Washington, that we must protect this young nation from the assiduous infiltration. That menace, gentlemen, is the Jews.

"In whatever country in which they have settled in any great number, they have lowered its moral tone; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion, on which this great nation is founded, by objecting to its restrictions; have built up a state within a state; and when opposed have tried to strangle that country to death financially, as is the case in Spain and Portugal.

"For over 1700 years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland, as they call Palestine. But gentlemen did the world give it to them in fee simple, they would at once find some reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They cannot live among themselves. They must subsist off Christians and other people not of their race.

"If we do not exclude them from these United States in this Constitution, in less than 200 years, they will have swarmed here in such numbers that they will dominate and devour the land, and change our form of government, for which we Americans have shed our blood, and given our lives, our substance and jeopardized our liberty.

"If were do not exclude them, in less than 200 years our descendants will be working in the fields (while they will be in the counting houses, rubbing their hands). I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves.

"Jews, gentlemen, are Asiatics, let them be born where they will or how many generations they have been away from Asia, they will never be otherwise. Their ideas do not conform to those of an American, and will not, even though they live among us for ten generations. A leopard cannot change it's spots. Jews are Asiatics, are a menace to this country, if permitted entrance, and should be excluded by this Constitutional Convention."

We are now learning the truth of this statement, which was written over 200 years ago. These remarks were recorded in **"CHIT CHAT AROUND THE TABLE DURING INTERMISSIONS",** a section of the diary of Charles Cotesworth Pinkney, of South Carolina (1746-1825), who attended this convention as a delegate, and took down excerpts of some of the outstanding addresses and discourses which he later published in his diary.

Unfortunately all copies of the Pinkney Report have mysteriously disappeared from libraries during the 1930's and the only known copy was in the Franklin Museum in Philadelphia. I'll leave it up to you to decide why these remarks were removed from American consumption.

If Franklin were alive today, I'm sure he would be in the forefront of a new American Revolution, this one to free our beloved country from the poisonous influences and domination, he warned about over 210 years ago. It might be well for you to know that there are several affidavits from well known and respected citizen's testifying to the authenticity of Franklin's statements in the Pinkney Journal.

As Franklin predicted, Americans now work five months out of the year, to pay off the Jewish money changers who hang around our necks like a smelly dead albatross, and where generations to come, will be saddled by a grievous financial burden we have run up by catering to these vampires. It can only grow worse, until Americans are willing to **"take the bull by the horns",** and do something to stop it. This must begin with the curtailment of Jewish influence in our government and church.

It is a gross understatement to say that International Jewry has trampled underfoot the rights of all Americans, especially those of White Christians whom they hate. In their relentless conquest for world dominion, they have **brainwashed** us into the deadly habit of issuing bonds, not only by the nation, but by municipalities, school boards, and churches. By doing so, they have seduced us into mortgaging away our national wealth for subversive purposes which are destroying us.

A few years ago, before I got into Identity, I spoke at a large Mid-west Fundamentalist church, whose pastor was prominent in the ranks of the Moral Majority. This was during the first days when the Holy Spirit was opening my eyes to the danger from Judaism. I spoke to him about what I had learned regarding the Jews, and received a favorable response as he said, "Yes, what you say about them is true, and I have known for some time that they could not be God's Chosen." Being his close friend, I asked, "If you knew this, why haven't you told your people?" With a rather crestfallen look on his face he replied, "I can't! You see, Jewish bankers in this city hold 1.7 million dollars worth of

bonds on my church, and if I said anything bad about them, they would foreclose and force me to shut the doors." A perfect example of "For fear of the Jews", found throughout the Bible. (See **Esther 8:17; John 7:13; 9:22; 12:42; 19:38.**) Now the I.R.S. has stepped in with my pastor friend, and is attempting to complete the nefarious task the Jewish bankers began.

The interest on these Jewish held bonds goes on continually, day and night, without interruption. It's course sweeps like a tornado over the fair fields, destroying everything in it's path, bringing death and destruction to everything it touches. It is the seat of World power, that of accumulating interest, and has become the most effective weapon in the world as the Jews use it for their control of mankind. Our Congress, lead by a **traitor** in the White House, sold us out to the International Jewish Bankers, in 1913, when they passed the Federal Reserve Act, taking the power to coin and control our money, and gave it into the unscrupulous hands of the Jewish bankers of Europe. There were only two dissenting votes against it, by the only two Senators who bothered to read the Bill and see what it contained.

These facts are constantly staring us in the face, and cry out for decent people's recognition. Our only answer to the money problem is to keep out of debt, and many of you who read these words will understand how extremely difficult this is during these days. The financial welfare of individuals, as well as nations demands this! The power of the usurer will be broken, when our debts are liquidated on a just an equitable basis. Congress could do it with one Bill, just as they created this monster in 1913, if they had the courage to stand by their **oath of office** and oppose the International gangsters. Here again we see the **Fear of the Jews!** syndrome at work.

During the Dark Ages, men raised a great outcry against the **priest craft** of the Roman Catholic Church which was strangling old Europe. These were the **dark old days,** when it was against the law for a Christian to read a Bible, if one were available. The power of the priests was small, when compared to that of the Jewish money changers. Concealed behind their office desks and bank counters, these heathen parasites gnawed into Christian wealth, and destroyed the vitals of mankind through their imposed **Amorality**. They followed an unwritten TALMUDIC law, which says, There is no law which applies to me. I am a Jew, and I am above the law. Therefore the end justifies the means, as long as I get what I want!" This is the basic law of world Jewry and Communism, which comes from the same Satanic source.

While Christians may expel apostates from the church, the Jews expel their opponents from the Stock Exchanges, from social connections, and finally condemn them to starve, with no roof over their heads. If we are to ever restore the social balance of America, we as Christians must take hold of this obnoxious Jewish weed, and tear it out by it's roots. We must direct out attacks and exposures against the enemies of Christ and His church, no matter how loudly their friends in the Judeo-Christian world may scream. This evil, which has brought the world to the verge of destruction must be exposed and rooted out, if Christianity and freedom are to remain in America.

There seems to be an unwritten law among mankind, which causes them to impose their own conditions, even at the expenses of others. This has been the basis of personal wars which have plagued mankind since the beginning of written history. We find the reason for this in the New Testament, where the Apostle James tells us in **James 4:1-3** - "From whence come wars and fighting's among you? Come they not hence, even of your lusts (an intense craving for material things) that war in your members? Ye lust, and have not: ye kill, and desire to have, and cannot obtain: ye fight and war, yet ye have not, because ye ask not. Ye ask, and receive not, because ye ask amiss, (wrongly) that ye may consume it upon your lusts."

Looking back over 6,000 years of written history, we can see the truth of this statement. There seems to be three major principles for war:

1. - The **PRINCIPLE OF PHYSICAL FORCE:** The Communist Textbook on PSYCHOPOLITICS puts it this way, on page 30 - "If you would have **obedience** you must have no compromise with humanity. If you have **obedience** you must make it clearly understood that you

will have no mercy. Man is an animal and he understands in the final analysis, only those things which a brute understands." This is why we have the theory of Evolution taught in Humanist schools. If you can convince young people that they are nothing but **graduate animals,** not worth very much in earth's scheme of things, then you can mold them to your pattern, and they will commit horrible crimes on the Slave Master's orders.

2. - The **THEOCRATIC PRINCIPLE:** in which the masses of a country are forced to accept a religion, foreign to them. This example can be seen in many Moslem countries which were forced by the **power of the sword,** to accept Islam. It can also be seen in many of the conquests of the Roman Catholic Church during the Dark Ages, when they forced most of Europe to accept Catholicism or be killed. They then carried it over to the New World among the Indian Tribes of Mexico and Peru.

3. - The **PRINCIPLE OF MATERIAL INTERESTS:** This is where people are enslaved, not so much by war, as by economic oppression and *brainwashing*. The enemies are **past masters** at **mind control,** for they have been practicing it for millenniums. This is why an influential Jew like Harold Rosenthal could say, "Most Jews throughout the world - I'd say more than 90%, know what is happening among our people. (This sort of explodes the Judeo-Christian theory, that most Jews are innocent of what their leaders in Zionism are attempting to do, and why will seldom hear a Jew complain about the actions of his leaders.) We have communications unequaled anywhere. It is only jerks, the ignorant and misinformed degenerates who can find peace in your society - you bastards hide your sins by donning sheep's clothing. You are hypocrites - not Jews, as you write about! In Russia there are two distinct governments - one visible and the other invisible. The visible is made up of different nationalities, where as the invisible one is composed of all Jews. The powerful Secret Police takes orders from the invisible Jewish government. There are about seven million communists in Soviet Russia, (this was in 1975).50% are Jews and about 50% Gentiles - but the Gentiles are not trusted. About once every five years the secret Jewish Board calls for the purge of Party members, an the Gentiles are eliminated!"

When asked, "Why!" he said, "When they begin to understand too much about the secret Jewish government and how it controls Russia, they are eliminated." He went on to say, "There will be a forced class warfare here in the United States, and many of you will be liquidated. The Jews will not be harmed! I'm not boasting, I'm just giving you the facts.

"It's too late for you Christians to put up a defense, that time passed long ago. Long ago we Jews became the aggressors and that is undoubtedly one of our **MAJOR** purposes in life." Many Jewish leaders will, and have collaborated the words of this boasting Jew.

The first two principles are well known and appeared early on the stage of history. They can be seen in the actions of Egypt, Assyria, Babylonia, Persia, Greece, Rome, and in modern times in the Papacy, and in Russia, China, and Germany.

The conquests of the **"PRINCIPLE OF MATERIAL INTERESTS",** while much more destructive than the other two, has operated behind a **smoke screen** so that few have understood it.

The **MATERIAL INTERESTS** of mankind are the focal point towards which all other desires point. So to control material interests means total control of mankind.

A conquest founded on this principle is not a victory of armed strength over weakness, or a victory of knowledge over ignorance. It becomes a victory of **cunning and intrigue,** over **confidence and carelessness**. This is why a very wise Founding Father once said, "Eternal vigilance is the price we must pay for **Freedom!"**

How many times when discussing the problems of Communist control, have you heard Americans, especially Christians say, "It will never happen here!" Yet while they repeat this trite phrase, they are doing absolutely nothing. to keep it from happening, relying on their pet phrases, .!'This world is not my home, I'm just a'passin' through!" or I'm saved, you know, and Jesus will come back and

RAPTURE us before it gets all that bad," or as one naive pastor said, "Why polish brass on a sinking ship?" I agreed with him, but what's wrong with the man's thinking, when he refuses to check the lifeboats to see if they are in working order?

In this book I will discuss how the conquest of mankind is now nearing it's completion and the part being played in it, by it's principal actors, Satan's Kids, (**John 8:44**) sometimes referred to as International Jewry.

Many of you will be dismayed by what I say and some of you may be tempted to throw this book away before you finish reading it. I will assure you, that if you read it in an honest Christian manner, and let the Word of God be the Umpire in the case, that it will blast away the Jewish myths the Apostle Paul warned about in Titus 1:10,14. It was not written for the purpose of making money, as so many writer sin the Judeo-Christian world, such as Hal Lindsey are guilty of. It was not written to lead you astray from the truth of God's Word, for that will be our foundation alone. It was not written because I hate Jews and want to harm them. It was written for the same purpose I might have, if I was driving past your home early some morning and saw smoke and flames shooting out of one of the windows. As a decent Christian man, I would be compelled to stop and warn you. Suppose I was like many Judeo-Christian pastors, and as I hurried up the sidewalk to your front door, I noticed the time was, 2:30 a.m., and thought, "They are sure going to be upset if I wake them at this hour." So I turn away, your home burns to the ground with your family in it .I'd be as guilty of murdering them, as if I had held a gun to their heads. I know that some day I will have to stand before the King and give an account to Him. I am more interested in hearing Him say, "Well done, good and faithful servant," than I am receiving your praise now.

So I do not ask you to believe me, or even accept what I say. I do suggest, however that you be honest with yourself and read this entire book before you make up your mind. Then take the facts I have given you - place them under the most powerful magnifying glass you can find - the Word of God - and when you find I have told you the truth, then take a stand in proclaiming this truth, for only as God's people, and I'm referring to genuine Christians, **standing in the gap,** can this nation of ours survive.

Today, the Divine and Sacred mission of the Christian faith is in jeopardy, to a degree never before witnessed in it's 2000 years of history. If the day ever arrives, when Christians can no longer profess their Christian faith, and this is what the enemy is working for, then civilization will go back into another Dark Ages. The malignant character of the malady that is afflicting Christianity today is as progressive as a malignant cancer. It will surely prove fatal, unless we are obedient to the King, and Occupy until He comes.

While many may scoff at the idea of a great world-wide conspiracy to destroy the **faith** and **White Christian Civilization,** it never the less exists. To bury our heads in the sands like the proverbial ostrich, will prove fatal. We need a spiritual Paul Revere, who will ride across this nation warning that our enemies are moving against us.

Thousands of Christians in the Judeo-Christian churches of our land are troubled by the mysterious pressure among Christian clergy that keeps them from telling the whole truth. If our people were told the truth, they would stand like the Rock of Gibraltar against the enemies of Christ and the Church. It's difficult to fight a battle, when many of your spiritual leaders are on the enemy side.

The Jewish people, alone of all people on the face of the earth, have discovered the secret of the **principle of material interests** and how it can be successfully used in their search for world power.

If you examine history closely, you will find from the earliest times of their existence, that Jews have used this weapon in their fight against the world, and Christians in particular. It was on this Principle that their entire religious, social, and political structures has been built.

At this point, we will run into our first major problem in discussing Judaism. As you study your Bible, you will never be able to understand it fully, if you use the terms **Hebrews, Israel,** and **Jews**

synonymously. They are not one and the same people. The word Jew does not appear in your King James Bible until **2 Kings 16:6,** 1200 years after the time of Abraham, where we find them fighting against Israel.

This first appearance came about 1,000 years after the time of Jacob/Israel, and 750 years after the time of Moses, so to call these men Jews, is a grave error. Yet it is common practice in the Judeo-Christian church to refer to the patriarchs as Jews. This is **intellectual dishonesty** of the worst type. Jews do not appear on the historical scene until after the Kingdom of Israel was divided about 975 B.C., and they were known as **IOUDEANS,** which simply means an inhabitant of Judea. There was no religious significance to their name. It was not until the tribes of Judah and Benjamin (a small percentage of them) returned from Babylonian captivity, that they became known as Jews.

The Northern Ten Tribes which were taken into captivity in Assyria about 750 B.C. disappeared from the Biblical scene, and appeared later in secular history, as they made their way north and west to the Appointed Place of **2 Samuel 7:10.** They became known as Scythians, Gauls, and Sacea, from which comes the word Saxon and literally means. Isaac's sons. They were the. forefathers of White Christendom and are the only people in the world who fulfill the more than 200 Scriptural fingerprints which will identity **true Israel,** in the closing out days of this Age. The people we know as Jews do not fit a single one.

With a little effort on your part, you can become acquainted with the spirit and character of the Jewish people and properly evaluate their present purpose on the International scene. It is unfortunate, that in following this trail, we have only Jewish commentaries to go by. If the Philistines, or Babylonians had left reports of these people, it is quite possible that history would give us a different view point than we have today.

We are not sure from Bible sources, why Abram left Ur of the Chaldees, other than that in **Genesis 12:1,** God told him to leave, and he obeyed. In the great Faith Chapter of the New Testament, **Hebrews 11**, we are told in **verses 8-10** - "By faith Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went. By faith he sojourned in the land of promise, as in a strange country, dwelling in tabernacles with Isaac and Jacob, the heirs with him of the same promise: For he looked for a city which hath foundations, whose builder and maker is God." None of these men mentioned were Jews.

If you look at a map of the Ancient world, you will find that Ur is located on the eastern boundary of Arabia, southwest of Babylon. In all probability Abram was an Arab. There are many similarities between Arabs and **true Jews.** There are also striking differences. The Arab is quick to start, but often lacks toughness and staying power. The Judean on the other hand never gives way, never forgives, and never forgets.

There are some Bible scholars who believe the **true Jew** is a direct descendant of the murderer Cain, and that therefore they are a mongrel race, since he was the first Adamite to inter-marry with other then Adamic people. Obviously from the scriptural account, Cain could not have married into Adam's family. (**Genesis 4:16-18)**

There is some scriptural basis for this, and it has resulted in what is known as the **TWO SEED LINE** Doctrine, which states that Cain was the result of a sexual union between Eve and Satan, and that this was the **original sin.** I cannot accept this on the basis of **Genesis 4:1,** which clearly states that Adam has sexual relations with his wife, she got pregnant as a result and gave birth to a son they named Cain. There is absolutely no scriptural hint of any third party involvement here and I can not accept this fable, straight from the Jewish Talmud. I do not have time to discuss this issue here, which has caused a division in Identity, but have a pamphlet available from **SCRIPTURES FOR AMERICA** titled **"SEED OF SATAN - LITERAL OR FIGURATIVE?"**

When John the Baptist, spoke to the religious leaders of the Jews, He was very harsh with them and called them a "generation of vipers (poisonous snakes)" in **Matthew 3:7. When** Jesus spoke to

them in **John 8:44** he accused them of "being of your father the devil", and in **Matthew 23:15,** He told the Pharisees that they went over sea and land to make converts, only to "turn them into two-fold more children of hell than yourself." Hardly a Chosen People status. You milque toast Christians who don't like to face up to the true facts about Jews, please remember that these harsh designations are not mine, but came from the lips of our Lord Himself. Who are you going to believe? Your pastor who says they are God's Chosen, or your Savior who said, "But ye (Jews) believe Me not, because ye are not of my sheep, (emphasis added are mine)

In **Matthew 21:43,** Jesus told the Jewish leaders that the Kingdom of God was being taken from them, and given to a nation (not church) that would "bring forth the fruits thereof." Could He have had been referring to the present day White Nations of Christendom who bear all the **fingerprints,** of **true Israel?**These are the only people who have spread His Gospel; they are only one's who distribute His Word to all the world; they are the only one's who have "set the captives free," and they have become a **Great Nation,** and a Company of Nations, in the British Commonwealth, all begun "for the glory of God, and furtherance of the Christian faith." No other people, anywhere, including the Jews, have fulfilled these fingerprints.

Finally, in **1 John 3:11,12,** the Apostle John admonishes Christians to **"...**love one another. Not as Cain, who was of that wicked one, and slew his brother." Compare with **John 8:44.**

The Arab experience a beautiful, almost spiritual reverence for anything that is beautiful. While the Jew, on the other hand, when stopping to admire a flower, will at the same time be asking himself: "How much can I make out of selling it?"

Excessive covetness which the Apostle Paul calls **idolatry Colossians 3:5** is an inordinate (unreasonable) desire for the possessions of others and this is the Jewish **second nature.**

The lust for material gain is so deeply ingrained in his organism that it extinguishes every other passion. Jews know no **self pride** and if you sneer at him for any reason, he will very probably "laugh in your face." If you attempt to praise him, he will make you look like a fool. If you venture to keep him from getting what he wants, he will turn into a tiger who will fight you to his last breath. His major aim in life is gain and anything which does not have this objective in view, is worthless to him.

A story will suffice to explain this. Two men lay dying on their death beds. One is a Jew, and the other is a Christian. The Christian is disturbed because he may have cheated his fellowman and wants to make it right before he meets his Maker. The Jew on the other hand, gloats over his ill gotten gains, and looks on them as God's blessing, because he is a Jew, and therefore God's Chosen.

This overriding passion for material things, places the Jews in a position of everlasting antagonism with the rest of mankind, or as the Apostle Paul said in **1 Thessalonians 2:15, "...**they please not God, and are contrary to all men." For this reason he wages war with all those who do not belong to his clan and subscribe to his philosophy.

In their religious book, the **"BABYLONIAN TALMUD",** which Jewish authorities say is the heart blood of modern Judaism, in Volume **"ABHODAH ZORAH"** (26b) we read, "Even the best of the goyim (non-Jewish cattle) should be killed." In Volume **"SEPHER OR ISRAEL"** (117b): "If a Jew kills a Christian, he commits no sin." In Volume **"ZOHAR II"** (43a), we are told, "Extermination of Christians is necessary sacrifice;" while in Volume **"HILKOTH AKUM I"** (1) we read, "Make no agreement and show no mercy to Christians. Either turn them away from their idols, or kill."

These are but a few of the hundreds of Talmudic passages which deal with Jewish treatment of Christians.

The Jew is taught that he was created to cheat and take advantage of all other people. Again going to the TALMUD for reference, Volume **"ZOHAR I"** (160a): "Jews must always try and deceive Christians. Volume **"IORE DEA"** (159,1): "Usury is permitted for any reason when dealing with

Christians." Volume **"BABA KAMA"** (113b): "the name of G-d is not profaned when a Jew lies to a Christian." These teachings are hammered into the heads of Jewish boys and girls at a very early age, until the Jew comes to believe, that the more cunning and greedy you are, the more you will receive the approval of God. This is of course is diametrically opposed to what Moses taught. The Jew recognizes no armistice in his unrelenting war with all other people. We in the Christian world have been led to believe that the Jew follows the teachings of Moses.

Very early in their history, world Jewry adopted a plan. This was to seize the gold and valuables of every country they invaded, but to allow the inhabitants to live and retain possessions of immovable property. Their argument being, "If we take their gold and the fruits of their labor, we may safely leave them in their fields and vineyards. If we succeed in making their riches our own, we will be the masters, and they will be the slaves."

In adopting their plan for world wide conquest, they have become most remarkably successful, usually with the help of the people they are trying to destroy.

Let us see how they have applied their principle of **MATERIAL INTERESTS** in the Twentieth Century. They have not only plundered the world, following **their age old plan of conquest,** but have convinced many of it's people that they are morally right. Here is where the falsehood of their Chosen People status carefully exploited among the Gentiles, especially Christians, has been most successful. They have not only sold the world the idea of their superior status, but have won a moral victory by the ability to throw the blame for all their problems and persecution on the shoulders of their enemies. They have sold this idea to most of the Christian world. Listen to these words from a well known Baptist evangelist, Jack Van Impe, who has become a vocal apologist for the very people who are trying to destroy everything he says he believes in. In his book **"ISRAEL'S FINAL HOLOCAUST",** on page 52, he says, "Jews accusers today are simply following the lead of anti-Semites before them. (It's interesting at this stage, to point out once again, that the vast majority of the people we know as Jews, are not Semites at all, but are **ASHKENAZI JEWS,** of Turco-Mongolian blood.) People do not want to accept responsibility for the wrongs of society, so they must have a scapegoat, and the Jews have been a universal scapegoat. They take the blame of ignorant people for problems ranging from plagues to politics." On page 55, he states, "The magnitude of Jewish suffering is difficult to take in completely. One may read of sanctions, slaughters, persecutions, and prejudices, but these are likely to simply move through the mind as historical facts without telling the whole story. The real account of the miseries of the Jews is one of feelings, frustrations, and fears. That is the human side of the story." He goes on to enumerate the woes of the Jews, never telling his readers that all these persecutions were brought about, not because of their religion, but because of their attitudes towards people among whom they lived. Van Impe says that the Jews have been persecuted because they are Jews, never telling his readers that all these persecutions were brought about, not because of their religion, but because of their attitudes towards people among whom they lived. Van Impe says that the Jews have been persecuted because they are God's Chosen and Satan hates them, when the truth is found in the Apostle Paul's statement in **1 Thessalonians 2:15 "...**they please not God, and are contrary to **all** men;" They were kicked out of every country in Europe, at one time or another because of their immorality and crooked business dealings.

Dr. Oscar Levy, a notable Jewish author states, "We Jews have erred ... we have most grievously erred. And if there was any truth in our error 3,000 years ago, nay 100 years ago, there is now nothing but falseness and madness which will produce an even greater misery and an even wider anarchy. I confess to you openly and sincerely**...** We, who promised to lead the world into heaven, have succeeded in leading you into a new hell. There has been no progress, least of all moral progress and it is our Jewish morality which stands in the way of all future and natural reconstruction in this ruined world of ours. I look at this world and shudder at its ghastliness; I shudder all the more because I know the spiritual authors of this ghastliness."

Very few Jews have the courage to admit this, just as many Christians will refuse to accept it.

You may have known some nice Jews. I have known some too. The Problem is that the most enlightened Jews cannot entirely divest himself from considering the Gentile world from a Jewish perspective. This is true even of the Jew who converts to Christianity, yet still boasts of his Jewishness. This is the legacy of 2500 years of teaching and thinking. I have known converted Jews who still consider themselves as Jews, although Jesus said," You cannot serve two masters," and Judaism and Christianity are headed in different directions and are hostile toward each other. I suspect that many so called convert Jews, when the **chips are down,** will prove to be loyal to Judaism. It has been so proven over and over again.

Van Impe barely touches on Christian massacres by Jews on page 50 of his book, where he says, "During the period between the resurrection of Christ and the destruction of Jerusalem in 70 A.D., the Jews imprisoned and executed many Christians." He says nothing of the millions who were killed by Jewish persecutions under Jewish run Communism. He is deliberately using an old propaganda trick of taking your mind off truth, by leading it down the path he chooses. In spite of his intellectual genius, and his knowledge of the Bible, he makes many **intellectually dishonest** statements, such as on page 56 where he says," Abraham, the father of the Jewish race, was given an unusual promise by His Lord. The guarantee of blessings, providing judgment upon all who bring evil on his descendants." First let me point out, there is no such think as a Jewish race, any more than there is a Christian race. These are religions! It is also obvious to any honest Bible student that Abraham **was not a Jew.** Since these people did not show up on the historical scene until 1200 years after Abraham's time. Read the curse in **Genesis 12:3** against those who curse Abraham. It says nothing about this being carried over to his descendants. If you can find anything in **Genesis 12:3,** that deals with today's Jews, then I have lost my understanding of the English language.

The policy of blaming others, for woes caused by their own actions is a Machiavellian principle. (Machiavelli was an Italian nobleman, noted for his cunning in politics. Like the Jews, he would stop at nothing to further his own aims.}

The Jews excel in this **double cross** and in our day it is the very soul of International Judaism and it's illegitimate child, International Zionism, epitomized by the bastard state of the Israeli in Palestine.

One of the reasons the Jew has been so successful in their double cross, is the incredible naiveté of the Christian world and it's leaders, who insist that those who are trying to destroy them, are God's Chosen, who must be treated with utmost respect and never, never crossed. Their success has also come from being able to convince most of the Christian world, that Christianity is an offspring of Judaism, although how any intelligent person can equate the teachings of the Pharisees, then and now, with Christian teachings, is beyond my understanding.

The Christians have been led to believe that Jews have been scattered over the world because of their stubbornness in failing to recognize the Divine mission of Jesus Christ, when history and the Word of God itself, proves without a shadow of a doubt that the dispersion of the Jews, for the most part has been voluntary and for a **predetermined purpose.** Referring again to the Rosenthal Report, he says," We (Jews) are amazed by Christian stupidity in receiving our teachings and propagating them as their own," or as Henry Ford, Sr., so aptly put it, "The Christian can not read his Bible except through Jewish spectacles and therefore often reads it wrong," (from **"The International Jew,"** Volume IV, page 238). As a matter of fact, many Christians do not live by God's Word, but by what Jews have taught their pastors in their seminaries.

Rosenthal continues, "Through our propaganda, the church has become our most avid supporter. This has given us a special place in your society, since you accept us as God's Chosen People.

"These deluded children of the Church defend us to the point of destroying their own culture. This truth should be evident even to the dullards when one views history and sees that all wars have been whites fighting whites in order that we maintain control. Anytime truth comes forth, we rally our

forces made up of ignorant Christians and attack the crusaders."

Four hundred years before the Roman conquest of Jerusalem in 70 A.D. during the time of the Macabees, the Jews were already scattering to the **ends of the earth.** It was an aggressive movement, with the final conquest of the world in mind.

As Roman rule began to weaken, the invasions of Northern barbarians, many of whom were from the Israel tribes who had escaped from Assyrian captivity, and had become "God's battle axe, and weapons of war," **(Jeremiah 51:50),** brought a period of transition which was vastly favorable to the Jewish element. While they were often opposed and even bitterly persecuted by the Roman Catholic church during the Middle Ages, they were not held back by these obstacles, and often held high positions in the Catholic Church, such as Cardinals, with several Jewish Popes. The chief Prosecutor during the Spanish Inquisition was a Jew named **TORQUEMADA.**

The Jewish fears only one hostility and that is competition which attacks them on their own **playing field,** in the **PRINCIPLE OF MATERIAL INTERESTS.** As long as you allow Jews to quietly acquire control of the national wealth and accumulate money, they care for little else, knowing that with money control always goes **people control.**

During the Middle Ages, as Europe was being separated into many nations and empires, the Jews scattered throughout the trading places and made their homes there in order to carry out their trade and usury.

It is true, that their riches, which had often been gathered by unscrupulous means, were often confiscated in persecutions brought about by their averse and immorality. This violence never stemmed the rising tide of Jewish money power.

As a result, Jewish establishments penetrated the chief commercial centers of Europe. One large body of Jews settled in Venice, Italy; another in Genoa, while at the same time Jewish colonies rose in all the chief cities of Spain, the Netherlands, Germany, and Poland. Although these were scattered, they had an amazing method of communication which formed a homogeneous union. Operating under a single impulse of "power through the control of material interest", they swept over Europe, until today, most of that Continent is under almost complete Jewish control, and Gentile governments are afraid to interfere in Jewish interests. Possibly the prime example is Jewish control in Britain.

Although scattered world wide, Jews are united through religious and historical traditions, from the civilized capitol's to the outposts of Siberia and Tibet. They are united in one faith. Not that of Moses and Abraham, but in their universal belief that they are especially Chosen by God to rule the world and have the treasures of the world at their command. In fact they do not worship the same God, as the Christian world, although they have taught us that **"Christianity is the child of Judaism."** They worship Lucifer, much as do the Freemasons, who also come from a Jewish source.

Jewish solidarity is so great, that although they often fight bitterly with other factions in Judaism, if they are opposed for any reason, Jews on five continents will rise up in their defense, no matter whether they are right or wrong.

This is a lesson the Christian world has never learned.

During the War Between the States, sometimes called the Civil War, General Grant was facing a Confederate force in Tennessee. He became annoyed at the large number of Jews who were following his army like scavenger crows and issued an order requiring all Jews to leave the army lines. Immediately a hue and cry was raised by Jews in the North and Jewish protest committees began to descend on Washington to confront President Lincoln. The President listened to them and told the General to modify his orders. Grant reluctantly complied, but added, "The Jews in my opinion have not changed for the better since the day they crucified Jesus Christ."

In the middle of the 18th Century, Jews infiltrated and controlled Free Masonry, with their terrible

order of the **Illuminati,** presided over by the Jew Adam Weishaupt. It was just another step on the road to one world control and they used the Freemasons, much as they do the Christian church. There are letters available in the National Archives, that George Washington, who was a Freemason, warned his Masonic brethren about the inroads of a Satanic organization which was attempting to control both Christianity and Masonry.

Few people who know Jews intimately, will believe you if you state that Jews are a virtuous people. This seems to be a paradox for a people who are so immersed in sex and many regard Jews as **the most evil of men.** Jews are both virtuous and immoral. On one hand they may show their morality, while in secret they are viciously wicked. If the **PRINCIPLE OF MATERIAL INTERESTS** causes the Jew to run a **prostitution ring,** an **abortion clinic,** or a **filthy show on National TV,** making money must take precedence over what is right or wrong. When this happens, the virtuous Jew become a vicious individual who will trample on anyone who *gets* in his way for any reason.

The Jew is **practically moral,** when it is in his best interests, because it can become a powerful offensive or defensive weapon. With virtue they will be brave and face losses and misfortune, but if anyone stands in their way of making money, they will use any evil means of destroying them. A good example of this comes to us from the 19th Century, when Hamid Pascha, son of the Viceroy of Egypt, inherited a vast fortune from his father. He entrusted it to a Jew named Oppenheimer, who became his banker and administered his business affairs. So brilliantly did this Jew follow his trade, that within three years, the young Egyptian went into bankruptcy. This example has many modern day counterparts. When this happens, the virtuous man, becomes the vicious one.

During the Middle Ages, commerce was the great battlefield of Europe. On the one side were the **native born,** and on the other the **Jewish invaders.** When the **smoke of battle cleared,** the Jews were victorious. They had acquired control of the entire commercial world. They looked on this as being a mark of God's approval of their way of doing business. Yet a careful check of history, shows that Jewish methods of doing business, have never enriched a nation, or a people, or been a mark of God's approval on evil, but put enormous amounts into the coffers of a few.

As is well known, Jews seldom engage in agriculture, mining, production of raw materials, or even in the manufacture of things from raw materials. He is mostly interested in the circulation of values, exchanging worthless articles for good money.

In a great majority of cases, Jews are parasites. They recognize this. In his book **"JEWS MUST LIVE,"** published in 1934, by the Golden Hind Press in New York City, Samuel Roth (Jew) said, "Our major vice of old, as of today, is parasitism. We are a people of vultures living on the labor and good nature of the rest of the world.

"It is my belief, that nothing the Jew does in America is essential to it's welfare. On the contrary, a great deal of what the American Jew does is in subversion to America's best interests." (UNQ)

They appropriate what other people make with the **sweat of their brow.** This is why they have a tendency to keep aloof from agriculture. They want nothing that will tie them down to a particular area. They must be free to move at a moments notice, heading for where the business action is. This means that Jews always seek out areas where the most plunder is available, and is one of the major reasons they have become so prominent as leaders of vice.

During the time when the Italian Republics flourished, Venice, Genoa, and Florence, were over run by Jews. When these Republics fell, the Jews packed up their treasures and migrated northward to settle in Germany, Poland, and the Netherlands, where commerce and industry was on the increase.

They were the least successful in Spain, mainly because the Spanish royalty forced them to leave, when they realized that they were opening the gates of Spanish cities to the Moorish invasion from North Africa.

Jews are the same today as they were 2,000 years ago when our Lord called them Satan's kids, (see

John 8:44). They have the same characteristics now as they had then, and even their religion has not changed, moving down through the years from the Jewish priesthood, to ancient rabbinism, then to modern rabbinism. As one eminent Jewish authority said, "Down through the centuries, the spirit of the ancient Pharisees has remained intact." Neither time, nor habit, nor intercourse with foreign elements have changed them. They are the same **blood sucking parasites** who Jesus Christ called **poisonous snakes,** (see **Matthew 12:34; 23:33**). Remember, please that these are not my accusations, but those of your Savior. No wonder they are pressuring Christian authorities to revise the New Testament and remove these remarks. To a thinking man or woman, these remarks by our Savior "shoot holes in the Jews Chosen People Myth." For more information on this subject, may I suggest my pamphlet **"EXPLODING THE CHOSEN PEOPLE MYTH",** available from Destiny Publishers, P.O. Box 177, Merrimac, MA 01860. They are 50 cents each or 35 cents in lots of 25 or more.

Quoting from this pamphlet, I make reference to a statement made by Dr. Benjamin Freedman in his book **"FACTS ARE FACTS".** He says, "The utterance by the Christian clergy, which confuses Christians most, is the constantly repeated utterance that 'Jesus was a Jew!' This appears to be their theme. It is a misrepresentation and distortion of an incontestable historic fact**...** informed, intelligent Christians, cannot reconcile this unwarranted misrepresentation and distortion of the facts."

Most honest Bible historians will admit that at no time in the New Testament was Jesus ever called a Jew, although He called this by others, (see **Matthew 2:2; 27:11; Luke 23:3**). The great Jewish historian Josephus called Him a **Judean,** never once did he call him a Jew. The very inscription over His cross, in Latin said, "Iesus Nazarenous Rex Iudorum", and any of you who understand Latin, knows this say, "Jesus the Nazerene, ruler of the Judeans." By no stretch of the imagination can you get this to say "King of the Jews." It was translated in the original 1611 King James Version of the Bible. It is **sloppy** scholarship such as this that often confuses our people and leads them to believe, those who are their worst enemies, Dr. Freedman said that converted Jews had proven themselves too often to be spies of Judaism, placed in the Christian church to cause trouble from within. Jesus implied this is John 12:40, when quoting from **Isaiah 6:9,10,** He said, "He (God) hath blinded their eyes, and hardened their heart; that they should not see with their eyes, nor understand with their heart, and be converted, and I should heal them." There are many who believe, with some Scriptural support, that a fake Jew (**Revelations 2:9; 3:9**), those called Jews today cannot be saved.

Because of Jewish ties with religion, tradition, and hatred of all non-Jews, they will never change (**Malachi 1:4**). You might as well expect a leopard to change his spots, as for a Jew to change his grasping nature. A Jew can be born in, or emigrate to any nation and become a Frenchman, an Englishman, a German, or an American, but if you ask him what he is, he will invariably say, "I am a Jew!" His alliance is to the Jewish people, not to God, or any nation, not even the country where he was born. Jews claim they can combine both qualities and be good **dual citizens,** but it is impossible, and Jesus Himself said, "A man cannot serve two masters:" (**Matthew 6:24**)

I have heard Jews boast, "We are Jews to our fingertips," and since there is little beyond the fingertips, this leaves no room for patriotism of any kind, only a blind loyalty for Judaism.

This trend towards treason can be seen in Jewish officials who have taken the Kol Nidre Oath on the Day of Atonement. (It is my understanding that even secular Jews take this oath.) In their TALMUD, this is referred to as the **"Law of Revocation in Advance."** The recital of this prayer, called the **all vows prayer,** releases a Jew from any obligations under oaths, vows, or pledges entered into during the following year. This means that his oath of office, to support and defend the United States against all enemies, both foreign and domestic, is meaning less, unless he chooses to follow it. Apparently President Clinton never took this into consideration when he appointed more than forty Jews to high government positions such as Secretary of State, Secretary of Defense, and Secretary of the Treasury. Or maybe he did! Is it any wonder our country is in dire trouble?

In 1844, a group of German Rabbis, realizing the effect that knowledge concerning the Kol Nidre

Oath was having on the German people, tried at the International Conference of Rabbis in Brunswick, Germany, to have it changed. The preponderance of Yiddish speaking Rabbis, who were Russian Khazars (meaning they had no Abrahamic blood in their veins), voted it down, and this oath remains an integral part of Jewish worship until this day.

Does this mean that a Jewish Judge is not to be trusted if he has taken the Kol Nidre Oath? How about a Jewish Congressman, or lawyer? Think about this!

The Jews in America are the only ethnic group who are allowed **dual citizenship.** This means they can be citizens of the Jewish State in Palestine, and at the same time have the full benefits of American citizenship. It has been proven, over and over again, that when the **chips are down,** they will almost invariably show their loyalties to the Israeli State. This action can be seen in the many pro-Zionist, anti-American actions of Jewish members of Congress.

Throughout the Middle Ages, the Jews laid their foundations for future power. They cleverly arranged, through their usury system, to pile up treasures in every country in which they settled, patiently waiting for the day when they could emerge from the darkness and climb to the top of the **economic power heap.** They have reached the apex now!

On a spring day in the late 1800's, the old edifice of feudalism broke down with a crash heard round the world, an political and ecclesiastical institutions have never fully recovered from the effects of the French Revolution.

This was a Jewish revolution, so acknowledged by their leaders and was the same way they brought forth in Russia in 1918. The pathway for Jewish conquest of the world now lay open before them. Undermined by the doctrines of **Voltaire** and conquered by the power of **Jewish liberalism,** the national and religious limitations of the Middle Ages crumbled into dust and the past was given over to Jewish reconstruction of the present and future. Not for the benefit of mankind, but for the edification, and glorification of the Jewish people.

Just as they did later in the Century, and at the end of the American Civil War, so now, the Jews led in the cry, "Long live tolerance! Long live Fraternity! Down with rank! Away with individual rights!" While the South was saved by the patriotic efforts of Americans who refused to buckle under to the Jewish power in Washington, there was no **white sheeted Ku Klux Klan** to save France!

With their ranks closed, Jews now opened attacks on their enemies everywhere and as they overcame them one by one, they erected their own standard, the six pointed star of David, which as far as I can find out, was never used by David. Since that date in the 1800's, the standard of Judaism has been unfurled from the watchtowers of the White Christendom in Europe and a few and far between have been the statesmen who had the moral courage to stand up to their corruption. With the exception of a few years in the 1900's when the German people under Adolf Hitler made a bid for national freedom and struggled to free Germany from Jewish oppression, only to be whipped down by their own Anglo-Saxon people, who once again listened to the siren call of world Judaism, over common sense and scriptural truth.

Today, Hitler is hated by the Jews, not because he tried to annihilate them, as this has never been proven, but because he tried to break their grip on Christian Germany.

By stirring up revolutions and then lending their support, Jews assisted on one hand with the distribution of **State overthrowing Utopias,** while on the other, they furthered their quest for world power.

Jewish writers such as Marcus Eli Ravage, and others have admitted that Jews have been at the bottom of nearly all the revolutions which have taken place in the Nineteenth and Twentieth Centuries.

Another Jewish writer, Oscar Levy, in the preface to his book **"THE SIGNIFICANCE OF THE RUSSIAN REVOLUTION."** said, "There is scarcely an event in modern Europe which cannot be

traced back to the Jews. We Jews today are nothing else but the world's seducers; it's destroyers; it's incendiaries; it's executioners", and they glory in bragging about it!

We know that all governments require money to operate and that the men who lend are Jews - thus they gain both in cash and it's corresponding power and privileges.

During the American Revolution, both sides were financed by the Jews, as was the Russian Revolution, the War Between the States, and World Wars I and II. The Jewish bankers became fabulously wealthy off the gains they had made on the suffering of mostly White Christian nations, while they killed off the **cream of manhood** and **fattened** us for future conquest. In the last 150 years, the world has been drenched in mostly Christian blood, as White nations have fought White nations, in Jew instigated wars, and the Jews sat back and gleefully rubbed their hands at the destruction of their enemies.

As atoms are drawn towards larger masses under the law of gravity, so nations drift towards the riches of the Jews. Under the same law, the motion of attracted bodies, becomes more and more accelerated and thus Jewish money power grows daily.

It is simple fact, which cannot be disputed, that at the present, not one single financial operation of any size can be carried out, without having some Jew being involved and profiting from it.

In this manner, Jews have grown from a despised people, the carpetbaggers, and hated usurers of history, to become the wealthiest, most influential citizens, often with front seats in our most prestigious churches, and often with full support for their still nefarious enterprises coming from the Christian world. **Abortion clinics; prostitution; drug traffic; rock and roll music, etc.** After all, they are God's Chosen, you know!

From the height of this economic pinnacle, they command the entire Babylonian Money System of finance and industry. There is not a man or woman among us, no matter how anti-Jewish we may be, who does not in some way pay tribute to Jewish money power. Even in the every day necessities of life we purchase at the local grocery store, we aid them. You can count on your fingers the number of politicians, preachers, and educators, who are not debtors to the Jews, and therefore under their power.

Jewish financial power resembles an imp which cannot be seen, who has his hand in every pocket. He is especially experienced in the art of seduction, having been trained directly by the **master seducer** of all times, **John 8:44.** He speaks to the Christian world today, saying essence, what he said to Jesus during His period of temptation, (**Matthew 4:8,9**) when he showed Him all the kingdoms of the world and said, "All these things (worldly kingdoms) I will give thee, if thou wilt fall down and Worship me." Very few so-called Christians have the courage to answer him as the Master did when He said, "**...**for it is written, 'Thou shalt worship the Lord thy God, and Him only shalt thy serve." So instead of happiness, he leads us into hell, and a world slavery too horrible to contemplate.

Hand in hand with his phenomenal rise to power, has been the rise of individual members of his clan. Those wandering Jews who used to be the crafty, hated speculators, old clothes salesmen, and peddlers, have now opened elegant offices in the world's most prestigious buildings.

At the close of the Napoleonic Wars, in Frankfort, Germany, a Jew named Rothschild, rose to power as the visible head of world Jewry. All other Jews bowed to his power. As **king of world finance** he commanded the rallying masses of Jewish capital as surely as Hitler later controlled Germany, and his subjects were countless millions who labored daily to support his splendor.

It is impossible to calculate the powers of this family, which was greater than that of any crowned head that ruled in Europe. Presidents and Kings cringed before that power and bowed to their wishes.

In the Twentieth Century, this European Jewish family has been challenged by an American Jewish family named the Rockefeller. These people have successfully hidden their Jewishness behind a

facade of Protestantism, as they engaged in a **life and death** struggle with their European counterparts.

The profits accrued by the International Jewish Bankers, were used to improve their social standing, and we see them today, as they mingle with, and inter-marry with the aristocracy of Europe and America, thus furthering their control.

They have longed for a monopoly of the Liberal Arts and Sciences, which at one time were open only to the higher ranks of society. Knowing they could acquire these honors only by means of engaging in literature, medicine, and public education, they set out to monopolize these professions, until today they are almost completely in control. The Christian world set complacently by, or cooperated while their enemies took control.

Today, Jewish journalists in every state, form a closely knit combine, composed of some of the most clever minds in America, who are dedicated to the furtherance of International Zionism, by all means fair or foul. They are men like Peter Jennings, Dan Rathers, and Sam Donaldson all on National TV, who control the thinking of large numbers of Americans, who get their only news from TV, or the daily newspaper. They have appropriated the rights of intervention in foreign affairs, to the point where the Anti-Defamation League, of the Jewish B'Nai B'Rigth (An unregistered agent of the Israeli, operating illegally on American soil without a license) to all intents and purposes controls our Congress. Powerful politicians like former Arkansas Senator J. William Fulbright have tried to buck them, only to be **shot down in flames.** Today, for a politician to criticize Jewish interests is **political suicide.**

As the Jews attained social status, they began a determined effort to infiltrated the Christian social world, brainwashing Christians of every hue with the false theology, that those who hated and murdered our Savior, were indeed God's Chosen People, and as such can do no wrong. They did this most cleverly by infiltrating Christian seminaries, until today, very few seminaries or Bible schools exist that do not have Jewish professors, many of them who do not bother to say they are **saved.**

Blinded by Jewish cries of the **Fatherhood of God,** and the brotherhood of all men, coming from a variety of organizations designed to confuse Christian thinking, and from apostate sources, under Jewish control, such as the National Council of churches; befuddled by the humane appeal of Jewish theories, our churchmen for the most part seemed incapable of perceiving the danger which threatened the Christian world from Jewish sources, even though the Jews openly stated what they intended to, "Drive God from the skies, and destroy White Christian civilization."

One look at the world of diplomacy, will show that it has been over run by Jews. In England, Dislraeli, took over as Prime Minister during the reign of Queen Victoria, and Lord Beaconsfield, later became Prime Minister. The **"WESTMINISTER REVIEW"** at that time quoted Daniel O'Connor as saying, "If Disraeli's genealogy would be traced, he would no doubt be found to be a true heir of the impenitent thief on the cross." (**Luke 23:39**)

There were others in England, Sir Nathaniel De Rothschild Bart; Josiah Wedgewood during World War I; Theodore Herzl, the father of modern Zionism, who was a power in British politics at the time.

Samuel Untermeyer, who arranged for the **"International Boycott Conference"** in Amsterdam, Holland in July 1933, stated, **"...**this holy war **...** in which we (Jews) are embarked is a war that must be waged unremittingly . the Jews are the aristocrats of the world **...**this boycott must be against all German goods, shipping, and services**...** we will drive the last nail in the German coffin." This was before Hitler began any move to rid the country of these parasites.

At this time, Germany was deep in a terrible depression, which had been brought about by Jewish manipulation of the money market. In 1940, the eminent Rabbi Maurice Perlman, head of the British Section of the World Jewish Congress, told a cheering Canadian audience, as reported by the

Toronto Evening News Telegram, February 26, 1940, "The World Jewish Congress has been at war with Germany for seven years." This means they set out to destroy Germany at least two years before Hitler came into power, and used him only as an excuse for continuing the war which cost many Gentiles lives. Very few Jews died in comparison, during World War II.

I can remember many occasions when Jewish boys headed for front line combat duty, were rescued by Jewish Doctors who falsified physical reports, so they ended up usually in the Quartermaster Corps, where they were the heart of the Black Market during the war.

Dr. Donald C. Blaisdeil, professor of Government at the College of the City of New York, published an important document entitled **"AMERICAN POLICY FOR THE NEAR EAST."** in the Jewish publication **"ISSUES",** the official organ for the American Council for Judaism, in the fall of 1959, in which he stated, "No minority of Irish, of German, of Polish, Italian, or Greek extraction has been able to manipulate policy to its advantage as have the Zionist leaders of the American Jews."

During World War II, the Administration of President Franklin Delano Roosevelt was literally over run with Zionist Jews and more and more evidence has surfaced through the intervening years, to show that President Roosevelt deliberately lead America into that war against the wishes of the majority of it's people, and did it at the behest of Zionism.

The Hon. Henry L. Stinson, Secretary of Defense during World War II, wrote in his daily diary for November 21, 1941, two weeks before the Japanese attack on Pearl Harbor, that the President had told his Cabinet that morning in a White House meeting, that he wanted us at war with Japan, but that he did not want it to appear that the United States had fired the first shots. This was during the period of his fireside chats, in which he told American fathers and mothers, "I hate wah, and will nevah send American boys to fight on fawn soil, nevah! nevah! nevah!" As he spoke these words, he was planning to get us involved under heavy Jewish pressure. What better word for these actions than **TREASON!**

After World War II, President Harry Truman carried on in Roosevelt's footsteps and used the power and prestige of American government, to recognize an armed uprising of 800,000 armed Jewish alien terrorists, who had been transplanted as part of the Zionist plan. On May 15, 1948, Truman gave official recognition to the **"bandit state of the Israeli",** which has been a **"thorn in our side ever since",** and cost us billions in national wealth, and possibly a Third World War in the near future. Today the Israeli's are carrying out a war of systematic genocide against the Arab people. While President Clinton took us into an undeclared war in Bosnia, against genocide of Moslem Albanians, he seems to care little for what the Israeli's are doing to the lawful owners of the Palestinian land they have misappropriated, and the Christian world has given them it's blessing based on God's promise made to Abraham, who as we know was not a Jew, **Genesis 12:3.** How awfully stupid can Christians become, when they allow themselves to be seduced by Christ's enemy.

When Eisenhower, **"the terrible Swedish Jew",** became President, he was also faithful to the Jews who helped put him into office. In 1956, he sent 14,000 American troops into Lebanon and stationed the Sixth Fleet in the Mediterranean, to protect the Israeli's. Since then, they have **"stabbed us in the back"** many times, by selling our military secrets to our enemies, and even attacked one of our unarmed naval ships in the Mediterranean with the loss of many American lives.

The pathway of political lies to the American people, continued under John F. Kennedy, always under the guidance of Jews who were a power in Washington. These were more interested in the welfare and safety of the illegal Israeli State in Palestine, than in the safety of the United States. At the same time while helping the Israeli's to increase in military power, Administration after Administration, under Jewish pressure have weakened our Armed Forces, until today we could not defend ourselves against a major attack. Much of this weakening process took place when the KGB **"double agent",** Henry Kissinger was in Washington as Secretary of State. He still a power in the nation's Capitol.

The pathway to Jewish domination continued under the Administration of John F. Kennedy who was always under the guidance of Jews in power in Washington. They were more interested in welfare of the Jewish State in Palestine, then that of the nation they had sworn to defend, and while we armed the Jewish State with our most sophisticated weapons; already the process of destroying our own military was under way and has continued until today we can not be classified as a first rate nation as far as national defense is concerned.

In 1938, the senior Kennedy, Joseph, was America's Ambassador to England. He reported to Washington that Neville Chamberlain, then British Prime Minister, had told him that it was the Jews in America, who forced Britain into the Second World War, and were attempting to do the same thing with the United States. Since this information had to be suppressed at all costs, F.D.R. recalled Senator Joseph Kennedy to silence him and this was the beginning of his liquidation as a viable politician.

The story of Jewish control continued through the Nixon, Carter, and Reagan Administrations. From the Administration of F.D.R. which included 52 Jews in high government positions, out of a total of 72 advisors - and many of these were foreign born Jews like Henry Kissinger - we went on to see the most conservative President in this Century, leaning on Jews and Zionist stooges, for his top level information.

There is much documented information which confirms these allegations and proves that the ideals of Roosevelt's New Deal, were written by Jews. Not to mention a vast amount of similar legislation put out by the U.S. State Department, which at this time was riddled with Communist Jews. When F.D.R. was warned about this, he turned furiously on the Senator reporting to him, shouting, "There's nothing wrong with Communist Jews, many of them are my friends."

As early as 1936, the Jewish newspaper **DER TAG,** wrote on April 9, 1936, "The Jews of America, because of their numbers, interest, and ability, constitute a great political force. They have not usurped this power; it belongs to them as a right! They are going to exercise it as they see fit. What are you goyim going to do about it?"

This is typical Jewish **chutzpah.** Rather than endure the smears that would come their way through the Jewish controlled media and the Zionist lobbyists, many members of Congress have been willing to sell future generations of Americans into virtual slavery under the proposed One World Government of Zionism. Spineless creatures, engrossed with the egotism of the importance of their positions and believing they are the **all wise** mentors of the nation, they have become guilty of the grossest of hypocrisy, as they have often deliberately evaded the one and most important foundation of most of our problems. As a result of failing to strike at the root of the problem, they are today presiding over the destruction of their own White Race, with few qualms of conscience.

Many members of Congress, show by their actions, that they desire this life of hypocrisy and leave this major issue to others. Thus our internal enemy has had an open field in which he is moving rapidly towards his goal of One World control.

Communism - the major tentacle of the Zionist plan for world conquest, was set up by Jews in 1917. In other places in this book, I have shown how they brag openly about their part in this conspiracy. From the beginning, it has been a Jewish plot to enslave **"non-Jew goyim"** (cattle) and rule over them.

They will scream to high heaven that this accusation is untrue, but the plan is there, it can be seen and understood if a concerned person will take the time and effort to look for it. This plan is clearly laid out in their holy book, the TALMUD and in numerous Jewish writings. These prove that Jews, as a whole consider themselves to be a superior people who are destined to rule the world, or as their TALMUD says, "When our Messiah comes, every Jew will have 2,000 goyim slaves." That's you brother and sister, they are talking about. A careful study of the Scriptures will prove their guilt, no matter how strong your pastor may proclaim them to be God's Anointed!

It would be well for me at this point to explain the meaning of several words I have already used numerous times. The **BABYLONIAN TALMUD,** which Jewish leaders say is the "Heart blood of modern Judaism!" is a collection of Jewish civil and canonical (religious) laws. It was begun during the Babylonian captivity, when the tribes of Judah and Benjamin were taken captive for seventy years. A new sect rose among the Hebrew worshipers, which became known as the Pharisees and which rapidly rose to become the major power of Judaism. They began a gigantic work which became known as the TALMUD, that was not completed until some 500 years after the time of Christ. It was what He fought against during His life on earth calling it the **"tradition of men, that nullifies God's Word." (Matthew 15:3,6,9; Isaiah 29:13; Titus 1:10,14)**

This gigantic work of 63 large volumes, fills a twelve foot bookshelf, and is the final authority of Judaism, superseding the Laws of Moses, in any matter dealing with the conduct of Jews worldwide.

Following are a few of these Talmudic teachings. I will give you the volume, and page where they can be found.

First let me tell you what some of the most eminent Jewish Rabbis' have said about the TALMUD. Rabbi Ismael said, "The teachings of the Talmud stand above all other laws. They are more important than the laws of Moses."

Rabbi Menachem, commenting on the Fifth Book said, "The decisions of the Talmud are words of the Living G-d, Jehovah Himself, as He asks the opinion of earthly Rabbis when there are difficulties in heaven." (If this isn't the height of egotism, what is?)

Tract Mechilla says, "Jehovah Himself studies the Talmud standing, as He has much respect for this book."

KEKUT CHADASZ (171,3) - "It is forbidden to disclose the secrets of the law. He who would do it ~:s guilty as though they would destroy the whole world."

SANHEDRIN (59a) - "Every goy who studies the Talmud and every Jew who helps him in it, ought to die."

LIBBRE DAVID (37) - "To communicate anything to a goy about our religious relations wouldbe equal to killing all the Jews, for if the goyim knew what we teach about them, they would kill us openly."

SHALLOTH-UTSZABOT (17) - "A Jew should and must make a false oath when the goyim asks if our books contain anything against him."

BABA MECIA (114,6) - "The Jews are human beings, but the nations of the world are not human beings, but beasts."

SIMEON HADDARSEN (56,D) - "When the Messiah comes every Jew will have 2,000 goyim slaves."

MIDRASCH TALPIOTH (p 225,L) - "Jehovah created the non-Jew in human form so that the Jew would not be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew, day and night."

NADARINE (20,B) - "A Jew may do to a non-Jewess what he can do. He may treat her as a piece of raw meat."

MAMONIDES, JAK CHASAKA (2,2) - "A Jew may misuse a non-Jewess in her state of unbelief." (In other words, rape of a Gentile woman is approved for Jewish men.)

TOSEFA, ABODAH ZARA (8,5) - "If a goy kills a goy or a Jew he is responsible But if a Jew kills a goy he is not responsible."

MISHNA SANHEDRYN (57) - "Thou shalt not do injury to thy neighbor, but it is not said, 'Thou

shalt not injure a goy"'. This is a good example of what the Lord meant when He told the Pharisees that they made the Word of God of non-effect by their traditions. (Matthew 15:9)

SCHULCHAN ARUCH - "A Jew is permitted to rape, cheat, and perjure himself; but he must take care that he is not found out, so that Israel may suffer."

SCHULCHAN ARUCH - "Those who do not confess the Torah (law) and the prophets (religious law), must be killed."

SCHULCHAN ARUCH (348) - "All property of other nations belongs to the Jewish people, who consequently are entitled to seize it up without scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if it is profitable to him or to Jews in general." You wonder why the Jews treat Arabs with contempt? They are taught that Arabs are mentalsewage in their synagogues.

The **TORAH** is Jewish tradition and instructions or decisions, given to the Pharisee priests, now called Rabbis, as Divine revelation. It was to this group our Lord said, "In vain do they worship Me (God) teaching for doctrine the commandments of men." The TORAH contains the first five books of the Christian Old Testament, known as the **Pentateuch.**

I must move on from this area of our studies, there are 63 large volumes of this filth and the work is so pornographic in nature it may not be sent through the U.S. mail.

How can a Jew take an oath of loyalty to America, when he is allowed by his religion to lie and disregard this oath if it benefits him or his people?

How can a Jew be expected to act worthy of his calling as an editor, news correspondent, a judge, a lawyer, a banker, an educator, or a politician, if he follows this religious belief? How can a Christian minister be trusted, who backs them in any way?

Why is it that the Jew, who is an oriental, is given more rights than the Japanese, Chinese, or Koreans among us? Sounds to me like rank discrimination. Yet the Jew is supposed to be the defender of Civil rights! What a hypocrisy!

The Jewish founder of modern Communism, Karl Mordecai Marx, said of his people, "In vain do we look for the key to the labyrinth of the Jewish soul in his religion. On the contrary, we must look for the mystery 6f his religion in the mystery of his nature. What is the basis of Judaism? It is a practical passion and greed for profit! To what can we reduce it's religious worship? To extortion! Who is their real G-d? Cash!"

So to accomplish their plan for world takeover, Jews create wars, revolutions, and depressions as a means of seizing power during the time of chaos. In the Communist textbook **"PSYCHOPOLITICS",** which I have mentioned before, the plan for the takeover of the United States was laid down in 1934. They said, "Our chief goals are effectively carried forward, which is to proceed with a maximum chaos in the culture of our enemy. This is our first and most effective step. Our fruits are grown in chaos, distrust, economic depression, and scientific turmoil."

For hundreds of years now, this has been the Jewish plan for World conquest. On instructions laid down by their Grand Sanhedrin in Constantinople from their **VENGEANCE PROTOCOL** in 1286, they have infilterated every profession in America. To do this, they have cornered the world supply of gold and have sold the non-Jewish world the fiction that gold is wealth, rather than land and commodities. Today, the entire world bows to the Jewish idol of gold, as much as the Babylonians worshiped Nebuchadnezzar's image of gold in **Daniel 3.**

By their control of gold, they smear those who refuse to **knuckle under** to their desires, and shut off the truth concerning news that our people need to know.

The International Jewish Council which met in Basil, Switzerland in 1879, drew up a far reaching plan entitled **"THE PROTOCOLS OF THE LEARNED ELDERS OF ZION."** This was a formula on which they would launch their world offensive. While Jewry and their Christian **stooges**

proclaim this document to be a forgery, they seem to forget that in order to have a forgery, one must first have an original. The forger makes his work as close to the original as possible to fool people. The Jews have never questioned the original **PROTOCOL** which was written in Hebrew, only the English translation by the Englishman Victor E. Marsden. He was an English journalist who had lived in Russia for many years and was married to a Russian woman. He was a correspondent for the **"LONDON MORNING POST",** a position he held during the Bolshevik Revolution. He was harassed by the Communists and thrown into the Peter Paul prison. He escaped and eventually was allowed to return to England. His mastery of Russian and Hebrew, made him eminently qualified to translate the **PROTOCOLS.**

I am inclined to agree with Henry Ford, Sr., when he said, "The only statement I care to make about the **PROTOCOLS** is that they fit what is going on." International Zionism has followed them like a blueprint for a hundred years, so they could hardly be bogus.

The **ELDERS OF ZION** have never been revealed, but are sometimes referred to as the **Hidden Hand of Judaism**. They are not the Board of Deputies of the Jewish Parliament, or the Universal Israelite Alliance of France, or the American Jewish Congress. The late Walter Rathenau said of them, "Three hundred men, each of whom is known to all others, govern the fate of the world, and they elect their successors from their entourage." As far back as 1844, the Jewish Prime Minister of Britain, under Queen Victoria, the Jew Benjamin Disraeli, whose real name was Israel, wrote, "The world is governed by very different personages from what is imagined by those who are not behind the scenes." Then he went on to show that all these personages were Jews.

There are documents available from Jewish sources, such as the Universal Jewish Encyclopedia, Volume 2, 1948 edition, page 102, which show this document and admit to it's Jewishness.

There is much documentary proof that the Russian Revolution was planned, financed, and led by International Jewry. Jacob Schiff, Otto Kahn, and Paul Warburg, all members of the New York firm of Kuhn, Loeb, and Company, advanced nearly $48-million and trained 276 Jewish revolutionaries from New York City's Lower East Side and sent them to Russia to lead the revolution. They passed through Germany, although we were at war with Germany at that time and received permission to do so from Paul Warburg's brother who was Kaiser Wilhelms Chief of Espionage, and the German Chancellor Van Bethman-Hallwig, who was also a Jew.

President Woodrow Wilson (Democrat), was put into office on the basis of Jewish support and $50,000 was put into his campaign fund by the Jew Bernard Baruch. This was in payment for Wilson having signed the Federal Reserve Act of 1913, which placed International Jewish banks in charge of the economics of America, and which was the fore runner of our present economic system which is still Jewish controlled. Rockefeller, Rothschild, Kuhn, Loeb, and Lehman are just a few of the names which were involved, with the Rockefeller clan, masquerading as Protestant Christian Gentiles, leading the way.

While most Americans believe the Federal Reserve is part of our government, all of the major banks are Jewish owned, and their geographical dispersion serves as window dressing. All are independent of Federal control and are dependent for international control on the International Jewish bankers.

These banks collect dividends which results in interest payments of the United States government on its bonds sold to Federal Reserve Banks and finances of course, by commercial banks throughout the country, using our money. They have usurped the Constitutional right of Congress to coin and print our money.

Today the United States government pays interest on its credit and the International Jewish bankers collect it and grow rich off the sweat and toil of the American taxpayer. In 1915 our National debt was about $303 million; by 1982, it passed the one trillion dollar mark. Add to this a state debt at this time of some $120 billion, plus God alone knows how much is owed in personal debts, and one can begin to scratch the surface of the robbery that has been carried on under the banner of Judaism. These taxes are collected by the Internal Revenue Service, which is the **bully boy tax police** of the

Federal Reserve, and enforces their tax laws. From a total of $103,651,585 collected in 1970, this has grown to $745,313,276 in 1996. Unfortunately, the I.R.S. is often used by the government and special interests to punish those who do not **walk the Jewish line.**

A good example is my own case. From 1965, when I retired, to 1981, I was severe vocal and written critic of the Federal Government's bankrupt Foreign and Economic policies, and was an embarrassment to the United States State Department on several occasions. This never drew any unbearable penalties, but when I began to speak publicly on the Jewish perils to our government and the Christian church in 1986, within six months I had my first audit, and there have been seven of these in fifteen years, costing this Christian work over $108,000. Many of you know that in 1998, the I.R.S. placed a levy on my Military Retirement pay, and stole over $24,000 that year, over the protests of several U.S. Senators. These men were falsely told that there was no religious prejudice involved, although facts proved otherwise. This Christian work was kept afloat, only by Christian brethren, who would not let it go down the drain. Some of you who read this book were in this group, and I will never be able to thank you properly. God knows what the future will bring!

Today in the face of almost unheard of economic woes, which persist in spite of what appears to be a booming economy, we see the strange sight of our government borrowing money from the Internationalists at high interest rates, so that we can give it away in Foreign Aid, often to countries who hate us and are our potential enemies, while our President spends untold billions of dollars of national wealth on brush fire wars in which we have no national interest. All these, Bosnia included, are for the benefit of the Internationalists and is fattening their purses, while bringing us closer to their New World Order, scheduled for completion in the year 2000.

It should be obvious to any intelligent person, where the money power lies. It most certainly is not in the hands of Congress where it belongs, and was meant to be. By their control of gold, the International Jewish bankers have become richer in one hour, as White Christians in particular sink deeper into the toils of their Slave State. Today, Christian America is bowing our backs in virtual economic slavery to world Judaism and they glory in it. Americans are today paying a higher percentage of their earnings into taxes, than was paid by the medieval serfs. This was the ultimate plan of **PROTOCOLS,** "Drain the entire product of materials and labor off the land and into our coffers." How long will we be willing to live on our knees, when God meant us to be **FREE!** You may be one of those Christians who reasons, "If He meant us to be free, why has He allowed our enemy to take control." Read the 28th Chapter of Deuteronomy and see for yourself. It all boils down to this **TRUTH: "Obedience** to **God,** and the **discipline** it brings, **must** come before we can have **victory!"** Until we learn the lesson of obedience, we should not expect to have God's help, no matter how hard we pray! I have Christians tell me, "If we could just get all the Christians in America to pray together, God would hear and answer our prayers and save us!" For this prayer to work you must mix prayer with obedience in what God tells us to do. In **Isaiah 59:1** we are told that God has not lost His power to act, nor has He lost His sense of hearing the prayers of His people. **Verse 2** of this same Chapter gives us the answer, "But your iniquities have separated between you and your God, and your sins have hid his face from you, that He **will not hear.**" Before we can expect God to hear and answer our pleas for deliverance, we must first return to Him in obedience. While many so called Christian people recognize this fact, it soon becomes evident that most of them, including their pastors, are only giving God, **lip service,** and want to continue doing their own thing!

The only way we can be free from the Jewish plague, is by removing it, and this will be impossible until we first learn obedience.

We know God will be with us if we diligently and honestly **seek His face, 2 Chronicles 7:14.** He has always been on the side of righteousness, when it is exercised in the context of obedience to His will. Never, during the trials of our ancient forefathers, did He respond to their call for help, until they came to Him in **repentance** and **humility**, and unfortunately I have seen very little of this in the so called Christian world of 1999. One of our biggest problems in the Christian world, is that we

have **grown too big for our britches!** God may have to bring us down a notch or two, before He can work His way with us. He has done it before with His people, and if He never changes, as we have been taught, it is very possible He will do it again. I have stopped praying, "God, save us, instead I pray, 'Not my will, but Thine be done.'"

We must not be led astray by our hatred for the Jewish people, although we may have good reason for it. bur battle must be against the forces of the anti-Christ, that their leaders advocate.

Sometimes it seems that there are no solutions to our problems. The problems are there, and the milder solutions can only come as the Jewish leaders are willing to lift the cloud of censorship they have placed on the Christian world and then back their words with good intentions.

As long as Jews insist on being a Jewish entity, instead of being individuals, they will ultimately force Christians, as a means of self defense, into viewing them as a foreign element hostile to Christian people and Christian values. If America allows a dual citizenship to stand in the way of loyalty to America alone, then Jews will continue not only to be a thorn in our flesh, but an ever increasing danger to our American way of life.

Our **freedom** was won at too great a price, to allow it to be usurped by aliens in our midst, who have taken advantage of our hospitality. This goes for other religious groups too.

The Constitution guarantees **freedom of speech and press,** to American citizens. It does not allow an alien minority to take this away by imposing their censorship. If we allow this to happen, and it's well along the way towards completion, then we deserve everything we get.

Today, as the greatest drama of the Ages begins to unfold before us, there are two paths we can choose. The one is lined with the trinkets and glamour of Jewry, the **big brother will take care of you,** philosophy which always leads to slavery. Those who seek only personal pleasure and comforts, those fools who believe, "You only go around once in life, so live with gusto, for tomorrow you may die." These will find only slavery and death at the end of their road. It is only the pathway of **sacrifice** and **obedience** to God, that comes from loyalty, courage, honor, and a sense of duty, that leads to a more abundant life.

We are offered two options, Either serve God with gladness, knowing His word is true, or follow a path which will only serve the oppressors of our people.

Today in America, we are faced with oppressive, anti-White, anti-Christ government. Will we serve it? Our forefathers refused to do so! In the Declaration of Independence, Thomas Jefferson said that, "We are endowed by our Creator with certain unalienable (may not be tampered with by government for any reason) rights. That among these are life, liberty, and the pursuit of happiness. That to secure these rights governments are instituted among men deriving their just powers from the consent of the governed, that whenever government becomes destructive to these ends it becomes the right of the people to alter and abolish it and institute a new government."

The fact that we are free today, gives us the **right** to establish and maintain a government which will enable us to enjoy these rights, so aptly expressed by the political philosopher, John Locke. Not only is it our **right,** but it is our **duty.** Jefferson said, "When a long train of abuses, pursuing invariably the same object, evinces a design to reduce them under absolute despotism, it is their right, nay it is their duty, to throw off such a government and provide new safeguards for their future security."

Today, under the despotism of William Jefferson Clinton, we are living under such a government. Our first allegiance must be to God. It is His law and the unalienable rights under that Law, which make us a free people. We cannot afford for our allegiance now, or at any time in the future, to come under bondage to an alien philosophy that seeks to enslave and destroy us.

In **1 Kings 18:21**, the prophet Elijah asked our forefathers, "How long halt ye between two opinions? If the Lord be God follow Him: but if Baal, then follow him." Five hundred years before

Elijah's time, Joshua told the people of Israel, "If it seem evil unto you to serve the Lord, choose ye this day whom ye will serve**;...** but as for me and my house, we will serve the Lord." (**Joshua 24:15**)

This is the decisions White Christians in particular must make today, if we are to survive. Will we serve Jehovah, the God of our forefathers, and His Son the Lord Jesus Christ and remain free? Or will we bow the knee to the false god of the Talmudic Jews and become slaves? Our whole future, and that of our race, depends on how we answer this question.

For far to long, we have been under the spell of the Baal system of Babylonian usury, It is in the process now of deliberately producing a "raceless, soulless humanity," that can be controlled by the elite in the New World Order of Judaism. This will mean control over income, our children, our entertainment, our sex life, our education, our body, our politics, and our religion. Already the New World Elite have openly stated that there will be no place for Christians in their New World.

I say the time has come when we must stop it. It will only happen when Christian men and women know the truth, recognize it as truth, and operate on this basis. It cannot happen, as long as most of the church world is under bondage, and control of Judaism, as it is today!

The time is late, the situation seems hopeless at times, but so was the situation in 1775 when Patrick Henry, speaking before the Virginia Convention, in an attempt to rally his people to the cause of freedom, shouted for all the world to hear, "They tell us sirs, that we are weak, unable to cope with some formidable an adversary. But when shall we be stronger? Will it be next year? Will it be when we have been totally disarmed, and a British guard is stationed in every house?" This is what the Jews seek in America today. They are in the forefront of every effort towards gun control and total disarmament. Christian America: "How long will ye halt between two opinions?" Will you finally believe when you see enemy hordes marching through our streets, raping our women and destroying our homes and churches?

Today, our Christian people are asleep. They are in a dream world, where they imagine that bad things will not happen to them. They see devastating earthquakes in Turkey and Greece, and say, "It will not happen to us!" They see mass murders by governments in Southeast Asia and Africa, and say, "That will not happen here! We are born again, you know, and Jesus will come back and **RAPTURE** us away before if gets all that bad!" Talk about being **wrapped up in a sheet of self-righteousness,** those Christians are enclosed in a **shroud and** don't know it. Like the folks in **Isaiah 28** their church leaders have "made a covenant with death, and with hell are in agreement; when the overflowing scourge (disaster) shall pass through, (they say), it shall not come nigh us: for we have made lies our refuge, and under falsehood have we hid ourselves." What does God have to say about this complacent attitude? The answer is in **verses 17 and 18** "Judgment also will I (God) lay to the line, and righteousness to the plummet: and the hail shall sweep away the refuge of lies, and the waters shall overflow the hiding place. And your covenant with death shall be disannulled, (canceled) and your agreement with hell shall not stand; when the overflowing scourge shall pass through, then ye shall be trodden down by it." Still so-called **born again** Christians who say they believe God's Word, will tell you with a straight face, "It will not happen to America, because we have too many born again Christians here!" How dangerously complacent can we get?

While our preachers indicate that they don't know who the Jews are, and erroneously call them God's Chosen, our risen Savior said of them in **Revelations 2:9 - "...**I know the blasphemy of those who say they are Jews, and are not, but are of the synagogue (meeting place) of Satan." He will take care of them in His own good time as indicated in **Luke 19:27,** and in His **Parable of the Sower** in **Matthew 13:30.** He indicated here that if we attempt to uproot them before their time, it will harm the wheat.

Will it take God's destruction of His enemies, to waken our Christians, or will it take disaster to befall them?

Are you willing to have your family live under the rulership of International Jewry, now that you

know the truth about them? In the face of slavery and very possibly death. **WHAT WILL YOUR ANSWER BE?**

The day of decision is fast approaching, when Satan's Kids, will make an all out effort to control the Christian world. Their time schedule calls for it to happen in the year 2000. It may be necessary for us to take stern measures in order to stop this anti-Christ scourge. For whether you want to admit it or not, we are in extreme danger as a free people. Soon this war will end. With promises like **Romans 8:28; 2 Timothy 1:7;** and **Luke 21:28,** we have nothing to fear.. For no matter how heavy the odds against us may be we will be **VICTORIOUS, when we learn to be obedient!** Are you going to be on the winning side? Or will you be one of the church rebels who refuses to believe God's Word, and will not make into His kingdom, no matter how solid your church membership may be? Please never say you weren't warned!

Choose you this day whom ye will serve!!!

ANNEX

A compilation of up to the minute facts about world Jewry from many reliable sources:

from "THE TRUTH AT LAST" July 1999

President Clinton, in full accord with his Jewish advisors says that he wants to prepare White Americans (and this refers specifically to Christians - MOHR), for the day when we will be a minority in our own country. If the present immigration rate continues, we will be a minority in 30 years. Clinton gloated, "There will be a great revolution that we can live with without having a dominant (meaning Christian) white culture."

Pat Buchanan, the well known commentator said, "When did Americans vote for a revolution to over run our ethnic and racial balance? When did our people vote to over turn her dominate European culture? Republicans are too intimidated and paralyzed by ruling **'political correctness',** to resist (the Jew inspired Clinton revolution - MOHR) which would ignite a real revolution."

Buchanan went on to say, "We are only half way to Clinton's paradise. What will it be like when we finally get there?"

WHITE ON WHITE CRIME!

Percentage wise, very few crimes against non-Whites are committed by whites and the Jewish sponsored **anti-hate laws** now before Congress will be enforced almost exclusively against whites.

FBI Crime Statistics show that Whites commit only 55.85 crimes per 100,000 against Negroes. While the crime rate of Negroes against Whites is 3,493.63 per 100,000. These

new crime laws will impose a more severe penalty against Whites that are ever applied to Blacks and are part of the overall discrimination that is being shown to those people who settled America and under God, made her great. It is also **part and parcel** of the Zionist plot for world control, as can be seen from many statements made by Jewish religious leadership in pro-race mixing propaganda can be seen in an article published in Canada in Mcleans Review Magazine of September 5, 1967. A prominent Canadian Rabbi, Abraham Feinberg outlined the Zionist solution for racial conflicts, in these words:

"One of the most nagging dilemmas of our creed is the gap between 'preaching and practicing' racial equality. We Canadian Jews support the Civil Rights Movement in the United States.

"This refusal to sanction the mixing of the races is the final bastion of racial hostility. Until we learn to fight our ingrown (natural) fears of sexual relations between the races, the end of the race problems will not be in sight. Only when we no longer raise our eyebrows at the sight of a Negro holding hands with a White girl, will the West (Christendom) have begun to tear the racial poison from it's vitals. Such a change will involve an inside out remolding of the White Psyche, for the fear of mixed marriages is deeply rooted." (It indeed is, for it was a Law our forefathers received from God Himself - but notice how cleverly, the Rabbi applies this reasoning to Gentiles MOHR).

"The change must begin sometime. Why not now? One reason, according to the thinking of those who brindle at the thought of miscegration is that there is basic, physchological incompatibility between races. Allied with this notion is the fear, seldom expressed but nevetheless very real that **'mongrelization'** of the races will somehow result in an inferior human product." (Regardless of what the Rabbi said, this is a fact proven by history - MOHR)

"Finally, there is the objection that some races are innately savage, according to this view - and it's surprising that many White liberals halfway believe it! The chaos in the Congo and mob violence in American cities spring from a single Black source. History shows, however, that no race, regardless of its technological progress, has a monopoly on savagery. Many Whites cannot see this. (if this is true, why do we see statistics like those from the FBI as I have shown? Why do we see the unbelievable savagery shown in the faces of black musicians in **rock and roll** on TV, and in the held of entertainment? And still say, "There's nothing wrong?" It's hard to convince an honest man or woman that this savagery as seen in the TV screen and in **rock music,** has been held up to our white youth as **the way to go,** and the **norm** somehow or other it's not in white nature to bite the head off a live chicken while screaming obscenities on stage? MOHR)

Feinberg continues, "I do not mean to suggest there are no differences. Of course there are. Races do differ - in the frequency of blood type distribution, in taste sensitivity, in hairiness, in body smell. These are real disabilities that Civil Rights leaders must overcome.

"It is certain that the mixed couple contemplating marriage faces a whole sea of trouble that couples of the same race never encounter. But there is evidence that the barriers posed by society are beginning to crumble. (The Jews have been foremost in this Movement to destroy our Christian concept of God - MOHR)

"If anything the Law should encourage, not forbid, the intermingling of bloods.

"Legislation alone cannot change the human heart.

The only way to accomplish this, to have **'Final Solution'** to the racial problem is to create a melange (mixture) of races so universal that no one can preen themselves on their **'racial purity',** or practice the barbarism necessary to safeguard it. The deliberate encouragement of inter-racial marriages is the only way to hasten this process. And time may be getting short! The dominance of our world has begun to shift like the cargo in a listing ship from the White races to the colored. The sooner we adjust to this fact, the better it will be for our children. We know that we will never be able to completely eliminate racial prejudice, until we eliminate racial separation." (UNQ)

At this time, research projects into the breeding of humans existed. They have long been suppressed by the Jews who control the media and TV fields. Liberal **witch hunters,** have damned anyone looking into the truth, by calling them **racists.**

These mentally warped creatures, many of them in the Christian Church, accept scientific methods to create better animals, yet they go into hysterics, when one suggests that same thoughtfulness if applied to humans, would lead to the betterment of mankind.

Africa is a prime example of the failure of Blacks to develop even the rudiments of civilization. Negroes have existed in Africa, as long as Whites have been in Europe. Then ask yourself why blacks have never developed a written language, an alphabet, or mathematics, until the White man came along and showed them how to live a better life.

Today, we see every so-called Black Republic in much worse shape in every way, then when they were under harsh, White Colonial rule. I've been in Central Africa, where they had never seen a White man, and the natives were living as their ancestors 5,000 years ago.

Two political movements, Communism and Zionism benefit from inter-racial marriage.

If the masses of White America interbreed with the Blacks, we will be transformed into a dull, lazy nation, such as we find today in Brazil. With some of the richest mines, and fertile land in the world, they are still a Third World nation.

Communism has been successful in America, through Jewish power, and the support that comes from sullen non-White drones in our Christian churches, who have been lured by their "Take from the rich, and give it to the poor" slogan, knowing that many of them refuse to work for a living. It's so much easier when Uncle Sam gives them a welfare handout.

The Jewish tactics involved appear in a book written by a prominent English Communist Jew in 1921, Israel Cohen, titled **"RACIAL PROGRAM FOR THE TWENTIETH CENTURY."** The following quotation can be found in the U.S. Congressional Record of 1957, page 8559: "We (Jews) must realize that our most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by Whites, we can mold them to our program. The term colonialism and Imperialism must be featured in our propaganda. In America, we will strive for a subtle victory. While inflaming the Negro minority against the Whites, we will endeavor to instill in Whites a **guilt complex.** (They have been most

successful among Christians, as can be seen by the recent apology issued to Blacks by the Southern Baptist Convention - MOHR).

"We will aid the Negroes to rise in prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige, the Negroes will be able to intermarry with Whites, and begin the process that will deliver America into our hands." (What better example than the Black football star O.J. Simpson?)

AN AUSTRALIANS LOOKS AT THE IDENTITY CRISIS WHERE TO NOW GERMANY?

Sometimes we White Christians get so tied up in our own problems we forget that others of our Israel kin are suffering the same hardships. This article written by Adam DeWitt, of Australia, covers an interesting phase in our war for Christian survival, that American Christians need to know. (DeWitt writes regularly for the **"TRUMPET"** magazine, which is the mouthpiece of the Christian Commonwealth of Covenant People, P.O. Box 141, Rondebosch, South Africa, 7701) Listen well to his words concerning another Christian Israel nation which is under violent attack by International Jewry, in their age old plan for world conquest.

When we walk a highway you would like to know where you are heading. What if you don't know? You will need to rely on fixed points and the most helpful would be the starting point. At least if you know where you came from, you will have a pretty good idea of where the road is heading. This principle is being understood by more and more people world wide, as they attempt to strengthen their society, and thereby ensure their future. Likewise this principle could be very helpful to Germany, the country now under discussion. So with this in mind let's look for German roots. (Bear in mind that over 27% of the American people come from a Germanic background.)

In **Isaiah 51:1,2** Israelites are admonished: "Hearken to Me, ye that follow righteousness, ye that seek the Lord: look unto the rock whence ye are hewn, and to the hole of the pit whence ye are digged. Look unto Abraham your father, and unto Sarah that bare you: for I (God) called him alone, and blessed him, and increased him." (Remember there were no people anywhere on earth called JEWS, until 1200 years after Abraham's time, so this verse could not have referred to them - MOHR).

AN IDENTITY CRISIS!

For many Germans, to delve into history, to find a future direction. is something to fear. They have fear of being labeled a **Neo-Nazi** or **Nazi apologizer,** because of World War II. German history goes back much farther then World War II. Nor should World War II be seen as the climax for Germans faced by this crisis.

I will not attempt to explain the war away, or give an opinion on it directly. Germans are not war mongers, no matter what the Jewish controlled press says to the contrary and this can be proved from history. On the whole, the history of Germany has been the

most peaceful in Europe, and the most culturally rich. Over a period of some 1200 years, Germany has been involved in less wars than any of it's neighbors or rivals.

When statistics are broken down into percentages the list of European nations involved in wars reads as follows:

European Nations Involved in Wars

Poland (polen)	**58%**
England	**56%**
France (Franreich)	**50%**
Russia (Rubland)	**46%**
Netherlands (Holland)	**44%**
Italy (Italian)	**36%**
Germany (Deutshe)	**28%**

The problem is, that the wars in which Germany has been involved were within living memory. Therefore we must keep things in perspective and not lose sight of the fact that Germans are a people with a thrilling destiny. There is an ancient prophesy stating that although nations would overcome Germany (as experienced at the end of World War II), the Israelite nation of Germany would overcome in the end. With that in mind, we can now begin to uncover hidden historical and scriptrual proofs which have long been withheld from our people.

THE PAPER CURTAIN

Those withholding this information, are aware of the ramifications for Germany should it become widespread knowledge. At the end of this account, you too will know why the world's best kept secret is so suppressed. Just as the Berlin Wall came down, so too will the PaperCurtain of falsehood, come tumbling down. We will not get into a debate on the Jewish Holocaust. But we must realize that this Paper Curtain of misinformation, which has beguiled millions of people, especially since the 1800's is beginning to rip. This message will help speed up this shredding process.

THE FLAME

There is a **truth** that is spreading from land to land (especially in the nations of Christendom - MOHR), to conservative groups, to patriot groups, from church to church (in the Judeo-Christian world - MOHR), quietly crossing denominational lines and often bypassing church leaders. This teaching crosses political ideologies, and many study groups are accepting it as are many archaeologists, historians , and secretly many politicians. It is being called IsraeliteIdentity, and it has absolutely nothing to do with Judaism. Those who do not understand it or those who fear it, call it **"Racism; Cultism; Hatred; Unbiblical; Anglo~Israelitism; White Supremacy; Heresy;** and worst of all new **anti Semitism.**" Yet many are saying and teaching that it is truth; that it can be proven historically, archelogically, and Biblically.

IDENTIFYING HEIRS AND WHY

Picture a tramp sleeping in a back alley. One day a solicitor finds him and asks if the tramp is the man he is looking for. The tramp can prove that he is. It turns out that this **down trodden** man is the long lost grandson of a King, who left his estate and Kingdom to him. Do you think that identifying this tramp would make a profound difference in his life? Are other tramps who have shared his misery entitled to it's benefits because of his birthright? Clearly the difference is very real and only the proper man can receive the blessings which comes from being a heir of the King. It means the difference between living in a cardboard box, and having to rummage through a garbage can to stay alive, and living in a palace. Identifying people correctly makes a difference in their national, mental outlook that translates into international performance, not just on the economic level, but also morally.

Many trendy **intellectuals** hate the word **morality**. Yet morality governs more than sexual behavior; it's the difference between suicide, or living to live, and even procreate on a personal as well as national level.

So let's begin the process of finding out who we are.

At school these days, our children are taught that we came from a bunch of barbarians who came into Europe as part of a mass migration from the East, moving West, and Northwest. Keep this in mind. Barbarians in spite of modern ideas, does not mean a **slob** or **crude fellow.** It is a term that meant **one who does not speak Greek or Latin.** The barbarians were often descendants of refugees or migrating people. Refugees can be seen to lack sophistication because they are in transit, just like a backpacker. Our Israel forefathers in Roman times were in transit, they were pioneers carrying Israel culture into the wilderness. But their forefathers were very cultured and civilized men from whence they migrated and like the American pioneers they sought to start afresh in the wilderness with very little means.

To the British, the American pioneers were **barbarians.** They lived rough and ready, yet their bloodline, like the British who despised them was European. The American barbarism was not due to these people being crude or uneducated, as some of them were graduates from the finest universities of Europe and could read their Bibles in Hebrew and Latin. These culturally rich pioneers had to live crude, because they were in a wilderness with very little to start with. They were trying to recreate the culture they once knew.

The early Europeans who lived outside the world dominion of Rome were also pioneers. The aim of the pioneer is not to become a barbarian. Their aim is to recreate the culture left behind without (what they viewed) intolerable decadence, corruption, and lack of morality. Indeed most of the early American pioneers were made up of Christian sects that opted to live on a higher moral and spiritual standard than was possible in the land of their birth.

America was settled by Puritans, Mennonites, Quakers, Huguenots, Amish, and so on. Can we then liken them to the early Europeans who lived outside the empire of Rome?

Certainly Roman culture at this time was highly decadent and thrived on fleshly passions ranging from gluttony and drunkeness, to all manner of sexual activity, and ended in spectators viewing of death in their arenas. The Romans wrote gruesome

accounts of the Celts and Germanic's, yet much of this was propaganda and exaggeration, even perverted romanticism to suit their various political aims. By and large the Celts and Germanics had strong moral codes. They were a highly religious people. Ancient texts prove the origin of this religion to be found in the Old Testament (for some reason Judeo-Christian pastors and scholars refuse to accept these ancient texts, although they will believe much older ones coming from Egypt and Assyria, which prove their point of view - MOHR). It was their religion that caused them to migrate in the first place, as they left a morally corrupt civilization. (More about this later).

THE SECRET

In this article we will introduce you to an archaeological fact that has been kept secret by the establishment. (This of course under Jewish control -MOHR). This fact is that the Germanic people are Semitic, indeed, they are descendants from what theologians call the **Lost Tribes of Israel.** (These have been lost to fallible men for centuries, since Israel, and most of Judah were taken captive by Assyria, but they were never lost to God - MOHR).

I will give you a short history to prove these claims. But before reading you must be clear in your mind and understand that when you read the word Israelite, Semite, or Hebrew, they are not speaking about JEWS.

The religious establishment (under Jewish control - MOHR) has programmed us to think that **Israelite** means **Jew,** yet it does not and nowhere in the Bible does it have this meaning.

We cannot understand our ethnic beginnings if we cloud out terms by traditional dogma. Judaism is a religion, just as Catholicism. When we say Catholic, do we mean Italians? No, because we also have German, Irish, Mexican, Filipino, and American Catholics. So it is with the Jews, they are not a race, but a religious cult. (Just as there is no such thing as a Christian race, so there is no Jewish race! - MOHR).

THE FIRST TRIBES

Our schools today teach our children they were **"Stone Age, or Cave Men"** in Europe, such as Neanderthal and Cro-Magnon man.

Our historians are either disinformed (which I doubt - MOHR), misinformed, or dishonest. No, I am not arguing whether those species existed or not. But I am against these learned peoples methods of teaching. They tell our children of these cave men and teach them evolution followed by telling us of the Celts and Germanic tribes. (The Apostle Paul describes them in 2 Timothy 3:7 as "Every learning, and never able to come to the knowledge of the truth." You see, this is part of the Jewish plan for dumbing down our people to where they will listen to and accept Jewish fables, rather than the truth - MOHR).

These men even go so far as to encourage us to believe that our European ancestors,

evolved from these cave men.

Yet, the Celts and Saxons did not evolve from cave men. The cave men, who existed died out, they came to an end and did not leave offspring's to enable them to have an ongoing population. The Celts, Germanic's, and Goths, migrated into Europe from the east in various waves, not having a link whatsoever with cave men. The bulk of the cave men died tens of thousands of years earlier, as according to archaeologists, they lived between 100,000 and 40,000 B.C. The Celts migrated into Europe about 2,000 B.C. resulting in a gap of tens of thousands of years from the cave man era.

The best known group of Celts lived in middle Europe around 800 B.C. and has been named by archaeologists as the Hallstatt culture. When the Germanic-Saxons or Goths moved into Europe we are erroneously taught that the Celts were totally driven out. We are also taught the error that the Celts and Germanics are two different races. I will show you that they are one and the same people.

The reason why the Celts disappeared is because they were ethnically indistinguishable from the Saxons. The Celtic language disappeared because Germanic became the overriding speech. In the same way Latin (in the form of French) replaced the Germanic of the Germanic-Franks in France. Even though the French, who were descended from the Germanic and Celtic people and who now speak a form of Latin, still live on today. The Celts did not die out in Europe. After many battles they simple were **grafted** into the **Kin stock** of the Germanic tribes.

It is time now to trace the Celts back to their **cradle.**

More and more **authorities** recognize that the Celts came from the Middle East as pointed out recently in a lengthy BBC documentary on these people. The word Celt, (pronounced kelt) is found in many forms in Gelderland, Holland: Galatia, in middle Turkey; Cheltenham in England; Galia in France; Galacie in Southern Poland; Gallia, a former Roman Province in Northern Italy; Wael, and Wallonia. Early forms of the word **Cald** or **Chald** have been found in Chaldea in the land of Mesopotamia.

Early Chaldeans migrated from the delta region near what is now Kuwait, up the fertile strip along the Euphrates River to regions along the Mediterranean Coast, to found the ancient civilizations such as Egypt. (Who were white Adamites by the way - MOHR). When we think of the Middle East people today, we tend to picture them as a brown skinned folk with dark eyes. Yet in the early days it was not so. The Arabs, Turks, and other darker people moved into the Middle East much later. The Turks for instance did not come from modern Turkey, but rather from middle Asia. originally Turkey was populated by descendants of the Chaldeans and related people who were fair skinned and blond. Basically the Turks ethnically cleansed these fair skinned folks from Asia Minor. The original Egyptians too, were kin to the Chaldeans and were Nordic in appearance. (The ancient pictures on the pyramids of Egypt, which are many thousands of years old, show the ruling class in Egypt as Caucasians. The same is true of the original Ethiopians. I have seen the ancient paintings on the walls of the Coptic church in Axum, Ethiopia, the ancient Capitol City of the Queen of Sheba and the ruling class were Caucasians - MOHR).

Earliest record show that the **Chalds** migrated north-westerly from the highland region of Eastern Turkey and West into Iran, and then into Europe. Those that migrated south became known as Chaldeans. One of the most famous of these is Abraham of the Bible,

who was not a Jew, or even and Israelite, he was however related to the Celts; his bloodline was. Celtic. We know the Celtic word for fair is **blond.** The Bible tells us that Abraham's wife Sarai was very fair. The French word for **fair** is **blond.** The Hebrew word used in the Bible is **YOPHIY** from the root word.

Yahpah, meaning **"blond, beautiful, or bright."** Seeing that Abraham loved all God's Laws, including those which forbade marrying those of another nation, it stands to reason that he too would have been Nordic in appearance. Indeed the Celts were tall men, about six feet or 1.8 meters , ruddy and on the whole fair and blond. Abraham and his family left Ur at the time the ethnic makeup of Chaldea was shifting from predominantly fair skinned Chaldeans to the new incoming darker skinned people who changed the entire makeup of Chaldea. Abraham followed the route taken by many of his kin over the centuries before, and settled in a land where he would live amidst the people that the Law approved of. He could have gone to Europe, but evidently did not feel the need to go so far. In those days, Palestine and Lebanon, were populated not by Jews or Arabs, but by Hebrew-Celts, from the highlands of Chaldea, a blond folk who were his kin. (In fact, many of the Lebanese and Syrian people today, are blond, blue eyed Christian relatives of ours - MOHR).

From Abraham came Isaac, who was ethnically Celtic and not Jewish. (The Jews did not come along until hundreds of years later, when they first appear on the Bible scene in **2 Kings 16:6,** fighting against Israel - MOHR). This means that all of Isaacs sons were ethnically Celtic and not Jewish. It also means that Jacob's children were Celts or Chads, not Jewish. From this same lineage came King David. We have a description of him in **1 Samuel 17:42,** where he is described as **"ruddy and fair".** Ruddy means his skin was light with a pink complexion and again we see the same word fair meaning blond. Thi~ means that Jacob-Israelites were also fair skinned people. This is a totally different picture then that of Hollywood, which stereotypes them as swarthy with black hair.

Remember that at least 50% of all that comes out of Hollywood is. nonsense, and the other 50% fiction. (We see very little of truth coming from this predominately Jewish source, and it has become one of their most potent propaganda tools, to **brainwash** our people - MOHR).

Jacob/Israel, the Celt, had 12 sons who in turn made up twelve tribes, or nations. These tribes took on the name of their respective patriarchs. They are Reuben, Simeon, Judah, Dan, Naphtali, Gad, Asher, Issacher, Zebulon, Manasseh, Ephraim, (sons of Joseph), and Benjamin. All were Celts, none were Jews.

TRUE MEANINGS

Lets get our terms straight. The word JEW is a corruption of the Hebrew word **Yehuwdiy** from **Yehuwdah.** Yehudah means **JUDAH,** or Judah (the person). Therefore it is ethnically and etymologically wrong to say that the descendants of the other sons are JUDAH. It is simply impossible. It is equally impossible to say that Jacob, Isaac, and Abraham were children of Judah, which the Judeo-Christian churches do all the time by implication by calling them Jews. To call any of these people Jews is utter nonsense, yet most of the churches and most school leachers, even dictionaries are guilty of this stupidity. Only the descendants of Judah can be called **Yeduawdiy,** which

can be corrupted to **Jews.**

There is a second category of Jews who are not even descendants of Judah. After the 12 tribes settled in what became known as the **land of Israel,** around 1400 B.C. infighting lead to a rift between the Israelites. The land was split in two, the Northern half became the **land of Israel,** and the Southern half the **land of Judah.** The Assyrians began to invade these two kingdoms around 730 B.C.. First the northern land of the ten tribes with many cities of the south went into captivity as outlined in 2 Kings 18. The Assyrians repopulated the land with non-Israelites after the Israelites had been deported.

However, the city of Jerusalem was not taken. The only Isra~lites left in the land were the remnant (not all) of Judah and Benjamin. Because Jerusalem became the administrative capital of this, now Assyrian province, the territory became known as Judea, and its inhabitants as Judeans, event though most of them were not of the tribe of Judah. All the non-Israelite people in the land, took on the new geographic term Judeans, as well as the remnant of Judah and Benjamin.

Only the remnant of Judah could rightfully claim racial blood lines to the person of Judah, but the rest, the majority of the mixed multitude laid claim by geographic means. Both groups are called Jews in our modern Bibles. It therefore takes a trained reader to spot the difference.

Jesus was a Judahite, but He was not a Judean, he was a Galilean. The term King of the Jews is not a reference to being king of the geographic Judeans, but rather a reference to His royal descent from Judah.

(Dr. Benjamin Freedman, explains it very well in his book **"FACTS ARE FACTS".** On page 17 he says, "**...**the best known 18th century editions of the New Testament in English are the Rheims (Douai) Edition and the King James Authorized Edition. The Rheims translation of the New Testament into English was first printed in 1582, but the word Jew did not appear in it. The King James Authorized translation of the New Testament was begun in 1604 and published in 1611. The word Jew did not appear in it. It was not until the 18th Century that the word Jew was used for the first time. There is not a person in the English speaking world today who regards a JEW as a JUDEAN in a literal sense. The secondary meaning of the word, with practically no exception is that a person who claims to belong to a racial group associated with ancient Semites or are directly descended from the ancient nation of Judea, is a JEW. The secondary meaning is what causes confusion in the Christian world. The implications, inferences, innuendoes of the word Jew today to the majority of intelligent Christians is contradictory and confusing. Christians who cannot be fooled any longer, are suspect by the Christian clergy, who continue to repeat and repeat, **ad nauseam,** their pet theme, that **Jesus was a Jew** - MOHR).

The term **King of the Jews,** did not refer to religious Jews, who were Hebrews. In essence Jesus was a Chad, of Celtic blood, and even though His paternity was through Judah, He cannot be considered a Jew.

Jewish author Alfred Lilienthal wrote, "Here is a paradox, a paradox, a most ingenious paradox; and an anthropological fact, that many Christians have much more Hebrew-Israelite blood in their veins than most of their Jewish neighbors, (taken from his book **"WHAT PRICE ISRAEL?"**).

Could there be any truth in this statement? If so, this would mean the greater number of German society and it's neighboring countries have misidentified the people who are most prominent in the Bible. The 1980 Jewish Almanac's, first chapter, entitled "Identity Crisis", begins with the following admission: "Strictly speaking, it is incorrect to call an ancient Israelite a Jew, or a contemporary Jew an Israelite or Hebrew." (By Richard Siegel and Carl Rheims, New York Bantam books 1980). The 1978 edition of the Jewish newspaper, **"UNITED ISRAEL BULLETIN"**, (Volume XXXXV, 507 5th Avenue, New York City) admits the following and contradicts the teaching of many Judeo-Christian churches. It says, "to get to the root of the matter ...it is important we clear up one misconception held by so many in our society . . to the true definition of the terms Hebrew, Israel and Jew. Abraham was not a Jew! Don't let this statement shock you. Historically and ethnologically he was not a Jew! Neither was Joshua nor Joseph."

Today's Jews come under two categories, Askenazim and Sephardim. The Ashkenazi make up 90% of all modern Jews. Ashkenaz was the grandson of Japeth. Japeth was a brother of Shem. This means that at least 90% of all modern Jews are not Semitics. (Semitic, means descended from Shem. Jacob/Israel descended from Shem). Seeing that Ashkenazim are not Shem means that more than 90% of today's Jews cannot be classified as Israelites. This group is the power behind the Zionist Movement and are the main occupiers of the modern Jewish State in Palestine. (Every Prime Minister of this mini-state have been of Ashenazim ancestry - MOHR). It does not take much to see that this group has taken over Palestine under false pretenses as they are not Israelites in any shape or form.

The second largest group are the Sephardics. These do have some claim to say that their forbears lived in Judea, **BUT,** not as Judahites, let alone Israelites. These Sephardim take their name from Sepharvaim or Sephardaim. They are Assyrian people who were placed in the depopulated lands of Israel and Judah after the Assyrian invasion (see **2 Kings 17:24,31; 18:14; 19:13; Isaiah 36:19; 37:13**). This means only one thing. This is that those who today call themselves Israelites through the lineage of Judah, are impostors (see **Revelations 2:9; 3:9**). Where the Bible says the Kingdom was taken away from the Jews, (**Matthew 21:43**), it was taken away from the **pseudo-Jews** who were not Israelites. Although the majority of the church world may believe these people are Israelites, this does not make it so!

In **Revelations 2:9; 3:9,** our risen Savior warned about "those who say they are Jews, but are not**...** and are of the synagogue of Satan." In other words those who claim to be of the lineage of Judah, are impostors. When the Bible says the Kingdom was taken away from the Jews, it does not refer to **true Israelites,** but to those who falsely claim to be Israelites by calling themselves Jews.

THE TRUE HEIRS

Now that we know that today's Jews are not Israelites, a logical question is, Who are the true Israelites to whom Christ was sent. In **Matthew 15:24** our Lord said, "I am not sent, but unto the lost sheep of the house of Israel." (Your Judeo-Christian pastor will no doubt say this refers to **unsaved Jews,** but this is not it's meaning. The word **LOST** in Greek, is the word **APOLLUMI ,** which literally means those who were banished, for disobedience. This happened only to Israel. - MOHR).

To find the **true Israelites** we need to be looking at the Celtic or a least the Celtic type people. One of the forefathers of the Celtic-Israelites was a person named Eber. From which we get the term Hebrew. In Phoenician Hebrew, the name Eber, means colonizer. The European people, are renowned as being a Colonizing people. (The Jews have never done this. They wait until a country has been established and become economically stable, and then step in and try and take control - MOHR).

The name Eber, can be found in many variations throughout Europe. The Ebro River in Spain; Iberia (the old name for Spain); and Iberne, (the old name for Ireland), Latinized later by the Romans to Hiber-nai, or Hibernia.

Many Israelites teamed up with the Cannanites to form the Trading Empire called Phonecia. This fits the two distinct elements which made up the Phonecians. (The word Cannanite means merchant or peddler.) The red haired, or blond Israelite element, and the dark swarthy type being Cannanites.

The Hebrew-Celtic element, did the colonizing, while the Cannanite element did the trading. In fact the merchant class of Phonecia called themselves Chanai, meaning Cannanite in their dialect. The Hebrew-Phonecians called themselves **Barat Phonecians.** According to the Bible, God made special covenants (binding agreements) with Abraham and his folk, and they became His **Covenant people**. The word Barat comes from the Hebrew word B'r't, or Berth, meaning Covenant.

This word can be found in many variations in the form of Barta in parthia (near Afghanistan); Brittany in France; Britain in England and Bruttium, a former province of Italy.

The study of these names, seems to suggest a historical path of migration made by the early Hebrew-Celts, who were blood kin of Abraham and his descendants, the Israelites.

We stated earlier that the Assyrians took almost all of Israel into captivity, except for the stronghold of Jerusalem. For hundreds of years the most renowned seats of learning, colleges, universities, and Theological institutions, have been at loss to solve the issue of what became of the **Lost Tribes of Israel.** (They were lost to man and his history, but not to God, who still led them - MOHR). The overriding theory held by modern theologians, (with no proof), is that they simple integrated with the people in the lands of their captivity. (As a result, Judeo-Christian pastors tell their congregations that **The Jews are all of Israel,** when they never were a part of it - MOHR).

The theory held by most theologians contradicts the everlasting covenants outlined in Scriptures. These writings tell of both northern and southern Israelite kingdoms being taken by the Assyrians with only those in Jerusalem being spared. This took place between 740-721 B.C. The Judaites in Jerusalem went into Babylonian captivity later. These represented only a tiny part of the Israel remnant. When the Babylonian banishment ended, less than 50,000 souls returned, while an estimated 3 to 6 million Israelites were elsewhere.

During the last 100 years, archaeologists have unearthed and published the original records kept by the Assyrians who took the bulk of Israel captive. These records, housed in the British Museum, reveal vital clues. Assyrian wall reliefs also give pictorial details showing the casting asunder of the Israelites, their towns and the deportations of those captured by Assyria.

These clay tablets were found in the diggings of the Assyrian Royal Museum in Ninevah in 1850. They were translated and published in 1930 by Professor Leroy Waterman of the University of Michigan. These tablets were in total disorder, hundreds of which were miscellaneou~ texts dealing with the matters of state. Because of this and the fact that the Assyrians called Israelites by other names during their captivity, the relevance to Israel has been overlooked. Yet a number of these tablets dated around 707 B.C. uncovered the hidden lot of the Israelites as they fled from Assyria, into the lands to the north and west. These tablets provide **missing links** of vital importance to modern descendants of the **Lost Tribes of Israel,** who are seeking their background.

As outlined above, the forbearers of the Israelites were Chaldeans, or we could say proto-Celts. In due course I will demonstrate how a branch of these Celto~Israelites became Goths and Saxons. If this is so, then it stands to reason that Saxon invasions into Celtic Britain and Europe did not bring about a new race. Instead, it would be more accurate to say that this influx was the coming together of tribes of the same ethnicity.

Before translating these clay tablets, it pays to look briefly again at the birth of Chaldea. The Sumerians were an Asiatic people whose language was neither Semitic nor Indo-European. It's spoken form ended about 3500 B.C. to 2050 B.C. with the influx of proto-Celtic tribes. These Semitic, proto-Celts at that time had no written characters. They simply took the Sumerian script and adapted it to their Semitic tongue. These Celts came in a number of waves, one of the earliest being the Akkadians. Nearby, in Kurdistan lived the Semitic Guti. About 2800 B.C. there arose in AKKAD, a Semitic chieftain named Shargani-shar-ali, better known as Sargon I. There are some scholars who believe this to have been the Nimrod of the Scriptures. (Nimrod's death and rebirth festival is marked by the felling and decorating trees on the shortest day of the year). Sargon formed a central government and administration complete with record keeping. It was during his reign that the Semitic language was first written. Soon thereafter, the land fell prey to roving tribes, both Semitic and non-Semitic.

Under Semitic law, mixed marriages were forbidden, yet despite this many Chaldeans wed with Sumerians and with other non-Semitic newcomers. The culture and laws of the region began to shift. During this period of change, the Biblical Abram (who was renamed Abraham, which in Hebrew means: the father of a great multitude, by God Himself - MOHR) came on the historical scene.

Abram and other Celts set off on migratory treks, presumably to be able to worship and live as they had before these changes were made. Certainly the Scriptural account tells us how Abram set off on a divine mission~ ordered by God Himself, to become the patriarch (father) of many nations. (In the great FAITH chapter of the Bible, **Hebrews 11:8** we are told, "By faith Abraham, when he was called to go out into a place which he should receive for an inheritance, obeyed; and he went out, not knowing whither he went" - MOHR).

In time, some of Abraham's descendants formed the bedrock' of the tribes of Israel. All the while power struggles in the land of Chaldea spawned a number of Empires, the most notable those of Assyrian and later Babylon.

Every spring, the kings of Assyria would gather their troops and move against a neighboring area. Often they were held at bay, other times they would overrun their neighbors. The wounded were beheaded and prisoners chained as slaves. Towns would be looted, razed and burned. A policy to deport a rebellious, overrun nation and resettle

it with. more yielding foreign underlings was brought in by the Assyrian king, Tiglath-Pileser III.

It was during his reign, that large numbers. of the Israelites were taken deep into Assyrian territory. When he died in 725 B.C. his son Ulula took over as Shamaneser V. He died during the siege of Samaria. His successor, Sargon II relates in his writings that he took the Northern Israelite capital of Samaria. "I surrounded and deported as prisoners, 27,290 of it's inhabitants," the clay tablet says.

In time, the social standing of the Israelites within Assyria, (providing they paid their taxes) was reasonable and they enjoyed a high degree of freedom to travel. Nevertheless, they were still captive people and according to the account of the Jewish historian Josephus, the overthrow of Israel was completely destructive. Hoshea was made prisoner and his subjects were transported to Media in Persia (from his Antiquities, IX, 13,14).

After Sargon II's assassination, Sennacherib took over the throne. His campaigns against the Israelite southern kingdom ensured that the bulk of the Israelites were lost to the eyes of orthodox historians and seminarians. Sennacherib's account, recorded on the Taylor Prism (in the British Museum) is that of a boastful conqueror, referring to the Israelite King Hezekiah, "Like a caged bird." In time, Assyria would fall to the Babylonians and it was during the reign of the Babylonian King Nebuchadnezzar, that those remnant Israelites not taken by the Assyrians, were deported to Babylon. When Babylon was overthrown by Cyrus king of Persia, the exiled remnant were allowed to return to Palestine. Evidently the life in Babylon was not too bad, as only about 50,000 accepted the invitation to return to their ravaged country.

In order to find out what became of the rest of the Israelites (who were not part of the. remnant), we must seek them under different names.

One of the earliest Assyrian references to Israel is found on a monolith of Shalamaneser III, uncovered in 1861 at Kurkh, in southwestern Turkey. It tells of the defeat over an army of 2,000 chariots and 10,000 foot soldiers of Ahab the Israelite, (Ahabbu-mat Sir'ilaia).. It is also the last time the Assyrians referred to Israelites by that name. Ahab's successor, Jehu, is shown yielding to Shalamaneser on the **Jehu Stele,** or **Black Obelisk.** In the text, Jehu is called the **son of Omri;** (Note that the word son means of the bloodline of, for Jehu was Omri's grandson). During this time, the Assyrians referred to the northern Israelite Kingdom as the **"House of Omri".** The Hebrew name **"Omri"** begins with the letter **"Y"** which is spoken as the guttural **"H",** translated into the Assyrian language as or **"Gh", Kh",** or **"Ch"**.. Thus before the various captivities, the Assyrians called the Israelites **"Bit-Khumri",** (House of Omri).

Sargon II referred to himself as "the over thrower of the 'Bit-Khumri". The clay tablets or **letters** covering the sweep of the Assyrian Empire, in the 7th Century B.C. had many references to the captive Israelites. Most of these letters were border reports made by spies sent by the Assyrian rulers to oversee the movements of nations within and without the empire. Variations of the name **"Ghumru"** used by the Assyrians were -Khurmi, Khoimri, Gimiri, Gamera, and Gimir. In a letter, written by Sennacherib to king Sargon, he states: **"...**When the king of the people of Urartu went to the land of Gamir, his army met with a debacle . " The battle took place between the Urartians, and the Gamir (Israelites) south of Lake Uemai next to Media. Assyrian policy of relocated captured people as buffer zones paid off. The Gimir withstood the Urartians out of self

preservation. The location ties in with the Biblical identification which places the captured tribes being placed near Habor and Halah, between Lake Yrmia and the Caspian Sea. The writings of Josephus also confirms this.

From the tablets it becomes clear that the Gamir or captive Israelites were kept as a homogenous enclave. This is backed by a series of tablets in which the king of Assyria, Esarhaddon (681-669 B.C.) is asking divine guidance about the operation of his troops to gather taxes from the territory of the Medes. These tablets in the British Museum show that Gimirian warriors were teaming up with those of the Medes and Persians and the Mannai to revolt. Esarhaddon wrote about his battle with the Gimiri (697 B.C.): "Teushpa, the barbarian whose home was afar off, I cut down with the sword **...**together with all his troops." We see here where the captive Israelites had chieftains and troops with their original home stated to be far off. This confirms them to be a folk in exile. Indeed another letter refers to the Gimirian exiles as exiles. "Let the cavalry and the Dakku invade the Gimmerians**...** They are the offspring of outcasts, they recognize neither the oath of a god (Assyrian god) nor a agreement." (Already they were becoming "God's battleaxe and weapons of war," Prophesied in **Jeremiah 51:20** - MOHR).

We stated earlier that like the American pioneers, the earlier Europeans came from a far off land in search of religious freedom. The Apocryphal book of **2 Esdra 13:40** tells of the Israelite tribes surviving in captivity but planning to leave the land of their captivity and "go forth into a farther land, where mankind never dwelt**...** That they may keep the laws (Of God) which they never kept in their own land." The Israelites called themselves the Nation; Sons, and/or the House of Isaac; Beth-Isaac, or Beth-Sak. Gamira was not a name the Israelites chose for themselves, it was strictly an Assyrian name. The Persians, however, who had a closer social contract with the Israelites called them by the name of Sakka, or Saka from Iscaaca. Because of this, later tablets began to use the term Isk-uza. Again one of Escarddons prayers said, "Will the Isk-uza warriors who live in the district of Mannai, and have moved to the frontiers of Mannai, succeed in their plan? Will they march out from the pass of Hubuska **...**and take much booty, and heavy spoil from the borders of Assyria?" The Isaac, or Iskura began to overrun land belonging to the Medes, competing with the Assyrian troops to gather tribute as they went. Referring to his tax collectors, who had gone into the land to collect taxes, Esarhaddon asks, **"...**will they be attacked by the hand of the Iskuza warriors?" There are clear archaeological references to back the Apocryphal account that the Israelite tribes were not only in the process of leaving the Middle East, but that they were a force to be reckoned with.

At this point it is also critical to note that the historian Strabo identifies part of Armenia as having been named Sakjsina. The term is a variation of Saakai-suna and literally means, **"sons of the Sakaim"** or **"Beth-Sak"**. That the Assyrians turned Isaaca into Iskusa must be understood in the way the name must have sounded in their ears, for in Hebrew, Isaaca sounds as **"yits-khawa(a)".** In time Sakasuna became Sacksen, Sac-son and then Saxon. Saxon literally means **"Beth-Sak".** According to Herodutus, the Isaaca (Iskuza, Sac-son, Saka) were called **"Scythians"** by the Persians. Ptolemy, states that a Scythian folk sprung from the Sakai, by the name of Saxons. The Jewish Encyclopedia, Volume 12, page 250 says, **"...**the Sacae, or Scythians who again, were the Lost Ten Tribes,". So the Jews have known all along that we are Semitic, while trying to hide it.

For those who have a problem linking Gimiri with Sakka, the Behistun Rock is proof positive. The caravan road from Babylon to Ecbataba (the old capital of Media), runs by

a limestone mountain rising out of the plain some 1,700 feet. About 300 feet above the base, is a rock face holding inscriptions made by the order of Darius the Great, about 515 B.C. The Memorial is 150 feet long by 100 feet high. The inscriptions are in three languages, Babylonian (Accadian), Elamite (Susian), and Persian. The inscriptions refer to Kana, or Canaan land, from whence the lost tribes came, and Armenia, the area of their captivity.

Of the 23 nations over whom Darius ruled and named, among them was the Sakka. In both the Persian and Elamite accounts, the name is Sakka, but in the Babylonian version these people are called **"Gimiri"**. What is more, the monument shows a branch of the Gimiri or Sakka, had at this time (517 B.C.) trekked a long way beyond Bactria (North of Afghanistan). Many of the lost tribes of Israel had made their way to the steppes of Russia, never. to return. From this point orthodox history takes over, telling how these people trekked into Europe.

Of the Cimmeri (Gimmir) the Encyclopedia Britannica states, "An ancient people, one body of whom is called in Assyrian sources, Gimirrai, is represented as coming through the Caucasus **..**later writers identify them with the Cimbi of Jutland who were probably Teutonized Celts". From Scriptures we see that these Israelites will have a new name and new lands, (**Isaiah 52:2**) - "and the Gentiles (nations) shall see thy righteousness, and all kings thy glory, and thou (Israel) shalt be called by a new name, which the mouth of the Lord shall name."

They shall be named after Isaac, (see **Romans 9:7**) - "Neither, because they are the seed Abraham, are they all children: but in **ISAAC** shall thy seed be called." (See also **Hebrews 11:18**).

The Saxons or Sachsen are Isaacs Sons, therefore they are Israelites. The corrupted form of the term Isaacs-sons such as Saxons is found in England, as Wessex (Western Saxony). Sussex (South Saxony), Essex (East Saxony) and Middlesex (Middle Saxony).

To establish a fact, the Law of God requires a double. witness. The second witness is in Germany. Just as in England, four areas are named after Isaac in Germany and Holland (which was once part of Germany). The areas stretch from the northeast of Germany to the southwest in an unbroken line. They are Niedersachen (Lower Saxony) Sachsen-Anhalt, Sachsen (Saxony), and Saksenheim (Isaacs sons home in Holland). A~ Israelite tribes migrated from the Middle East into Europe, they took names as cultural memory with them and gave these places, towns, regions, and rivers Israelite names where they dwelt. The Israelite tribe of Dan gave its name to many rivers in Europe, such as the Dan-ube (Donau) or D'neister, D'nieper, and Danastom. They also gave names to towns such as Dan-zig, and most notable to **DANMARK.**

One of the most notable of the Germanic tribes were the Jutes, whose name is still found in Jutland, literally this means **JUDA,** or **JUDALAND.**

The very name Deutsch for Deutschland comes from **"Diut-ish",** which is the Hebrew name for **MAN** or **FOLK.** "The folk of the Diut-ish in Germanic means the same. The **"sch"** is the modern German version of the old **"Ish"**. ISH in Germanic means the same. Here is another Hebrew, not Jewish link with Israel.

DEUT or **DIUT** comes from the Saxon **THEOD,** which in turn comes, from the Gothic **THIUDA** which means "Nation, or troop of one ethnic makeup." The word **GUD**

comes from **GUDA,** or **GUTTHIUDA,** meaning "the troops (or folk) of the GUD." GUD in turn comes from GUDA, or the Israelite tribe of **GAD. GOTH** literally means: "Gad's folk!"

Many towns in Europe still bear GAD's name. Such as GADES in Spain, but in Germany and nearby, we have Goita, Goteborg, Gotha, Gotland, and so forth.

Where England is mostly the tribe of Manasseh and Ephraim, and Southern Holland mostly of Zebulun; Northern Holland and Germany are mostly of the tribe of Issachar. The tribe of Judah and Dan are mostly in Northern Germany and Denmark, whereas in the Hinderland, or Heartland of Germany we find mostly the tribe of Gad. With this in mind, let's look at the Biblical blessings, prophesying the idiosyncrasies of GAD.

In **Deuteronomy 33:20,** we read where Moses blessed Gad (as he did the other tribes before taking their share of the promised land of Canaan. But because the Bible teaches that Israelites will inherit new promised lands, much later (**2 Samuel 7:10; 1 Chronicles 17:9**) the blessing would have repeat performance.

"And he (GAD); later (GOTH) provided choice, (the first or prime-finest part (of land) for himself and his folks." Just as in Cannaland, the Dannitess chose the finest land, the hinderland, or heartland, their off spring, settled in the European heartland, the choicest land in Europe.

After having visited 26 countries and lived in four of them, I am like many other tourists, struck by the sheer beauty of Germany. Of all lands in Europe, Germany and their German speaking areas of Austria and Switzerland are without doubt the most beautiful in the world. This is not chauvinism, it is an honest observation of prime, choice land in Europe.

Indeed the last two World Wars have been fought over control of Europe's finest Real Estate, Germany. East Germany, was the **crown jewel** of the Soviet bloc, and true East Germany, is (occupied now by Poland) with no hint that they will ever give it back. The prophesy concerning choice land was indeed true, but what of the future? What plan has God in store for this Israel nation?

In **Genesis 49:19,** we read, "Gad, a troop shall overcome him; but he shall overcome at the last." This shows a relationship with a troop or people. Although most of the other tribes remained relatively distant throughout history, they tended to separate themselves from the Goths, often banding together against them. The tribe of Judah, settled largely north of the Goths, often banding together against them, Traditional tribal jealousy between Ephraim and Judah to this day has never died out and reached its peak at the turn of this century. It took very little to ignite a war in 1914. (This was made even more serious, as the psuedo-Judaties, we now know as Jews, began to agitate against the nation they knew was true Judah, and attempted to take its place in the minds of the Christian world. Today it is universally taught in the Christian world that these usurpers are God's Israel people, when they have no connections to true Israel and are a heathen, mostly atheistic people - MOHR).

In Europe, Judah is strongly allied with its nearest tribe, a tribe that has the distinctive trait of being seen as people in their own right, a troop. The world views the German people (those of Gad and Judah) as a distinct group, yet they reality they are Israelites as part of the larger family of Israelites found elsewhere in the world. The Germans fit this

prophetic character perfectly. The main thrust of prophecy is being carried out right now and the last part has yet to be fulfilled, that Gad will be overcome.

This century is the only century in which Germany, as a unified state has been overcome. Up until the last part of the 1800's, there was no German state. There were many German lands, all with their own kings and princes, but a united states of Germany is very recent. Since the end of World War I, this German State has been overcome in some form or other. Even today, Germany is occupied by the winners of World War II and no real peace exists to this day between her and her overrunners. (This problem is agitated by the largely Jewish control of German government that was allowed by the Allies at the end of World War II - MOHR).

Germany has the unique and sad distinction of being the only land on earth that has lost much of it's territory and any talk of trying to regain them today, is grounds for criminal proceedings.

Germany is the only land to lose more civilians after it's surrender than during the war. At least 9.3 million Germans died in the first five years after the war due to a deliberate policy of starvation. General Eisenhower, (a Jew - MOHR) stated in 1944 that he would like to see things made "good and hard for them (Germany)", (and implemented policies to see that this would happen - MOHR). This was accomplished by the Morgenthau plan (also drawn up by a Jew - MOHR), which was systematic starvation of the Germans. Although this plan was officially dropped by the Americans, Roosevelt said in secret, "that the plan would be implemented." The Allies slowed oil production to a trickle, closed the factories that were left, kept the work force imprisoned and confiscated or destroyed factories and machinery. In Berlin, September 1945, and American official estimated that half the German children aged three and under, would not survive the next year, with a baby death rate of 100%. In February 1946, U.S. Senator Kenneth Wherry stated., "the American people should know once and for all, that as a result of this Government policy, tbey were being made accomplices to mass starvation **...**Germany. is the only nation subject to this **DELIBERATE STARVATION PROCESS."**

(We treated heathen Japan with much more magnaminity that shown to our Israel brothers in Germany - all due to Jewish pressure - MOHR).

Red Cross trains were sent back from Switzerland, foreign governments were denied permission to send food to German civilians, and the German fishing fleet was kept in port, and one fishing boat was actually blown up by British soldiers to emphasize the point. The official ration in the French Zone in January 1947, was 450 calories per day, a starvation ration. (This information was kept from the American people by the Jewish controlled press, who continued to rail against Germany and stir up hatred for them with their constant Holocaust stories. The Jews in Hollywood joined in with enthusiasm, in the effort to brainwash the American people, especially gullible Christians. People who have done extensive rese~ arch on the issue of One World Government, a One World Bank, a One World Religion, and a One World UN Police Force, understand that the International Jewish bankers have been running the show in America for a couple of hundred years, especially since 1913, when we turned our economic policy over to the Jewish banks of the Federal Reserve System. The **'dirty little secret'** is that both houses of Congress are irrelevant as America's domestic policy is now being run by the Jew, Alan Greenspan, while America's Foreign Policy is run by the International Monetary Fund which is essentially controlled by Jews - MOHR).

Ethnic cleansing of Germans from Eastern Europe, tepidly called **Epulsions,** was authorized under the Potsdam Agreement signed by Stalin, Churchill, and Truman. More than 16 million Germans were uprooted from ancestral lands after a string of gruesome events. In Sudetenland, the German women were seized by Czech and Jewish mobs, who cut out their Achilles tendons and as they lay screaming, they were repeatedly raped. Hermine Muckusch, a grandmother from.. Jagendorf, Sudetenland, was forced marched out of her homeland with 27 children. Within 14 days all but one were dead. (Her story was typical of what took place during those terrible days of Jewish retribution. Their slogan: "Never forgive! Never forget!" and fifty years after the war ended, their screams for revenge are as loud now as ever. Unfortunately they are being listened to by Christian men and women who should know better - MOHR).

Thousands of German Mennonites were beaten and shot by British troops who tried to force them into cattle wagons bound for the Soviet Gulags. Bones discovered in mass graves in 1976, and 1981, at Kalwasser/Bromberg were returned to the ground without a marker, when it was discovered they belonged to Germans. This Genocide against the German Israel people continues today. (Where are the protests for this injustice from the Christian world - there is none, for they have been stupefied by Jewish propaganda - MOHR).

Although the German people today are well fed, they are morally starving, having no love for themselves. Hybridization of the species is simply genocide by way of destroying the original stocks and Germans are being brainwashed daily by the Jew controlled media and schools (which are controlled by the occupying forces) to help and inter-marry with the non-Israelites who have been flooding into the land. This time the aliens are overcoming with sheer numbers, with Germany taking in more foreigners than any other European country.

Today, Germany has no homeland and her culture is being replaced by an alien culture of **Recreational sex, Recreational drugs,** and brain destroying **Rock and Roll** music. Even pro-German Skinheads are participating in this anti-German behavior.

Neither the far right, the far left, or the German church goers pay any attention to or attempt to obey God's Saxon Laws. How far can these people go when they only have 1.2 children per family and many of them are hybrids? How can they know the truth, when it is against the law to expose their enemies? Truly, Germany has been overcome. Any wealth Germans enjoy is for self gain, and they do not feel the suffering of their fellow Israelites, even though this wealth will not stand!

Dear brothers and sisters in the faith, prophecy gives some hope as **"they shall overcome at last!"**

This century was one that the Free World looked forward to with hope. Technology would save the poor and relieve drudgery normally a lot of the masses. Sadly, technology was not seen as a blessing from God. Instead of bringing individual nations of true Israelites together, each boasted of their technological gifts in a mad rivalry aimed against their Saxon kin in other Saxon lands. Breeding rivalry and jealousy soared between two of the greatest Celtic-Saxon-Israelite nations, Great Britain and Germany. Canaanite Jews saw an opening that would allow them to rule over the two rivals, reversing the curse of a long lost birthright that dated back to the time of Jacob. Our space does not allow us to go into this detail, but in short the Biblical patriarch of the Jews, Esau, lost his birthright that could otherwise have seen his people become the

leader of nations. The Canaanite, (Ashkenazi/Sephardic/Jews) recognized their ancestral link with ESAU (admitting this to Christ in **John 8:33**). The Saxons and Celts are of Jacob, not Esau.

The 20th Century saw the end of Israel cooperation as we preferred to love non-Israelites instead of our own kin. (This is a blot on the integrity of the Christian church and it's clergy - MOHR).

"A house divided against itself cannot stand", and indeed, the Israelite-Saxons were divided and fell. After two Saxon-Israelite wars, (instigated by the Edomites - MOHR) Britain lost it's world Empire and was drained of its wealth. America's debt to the International Jewish vampires increased from 1940 to 1945, by 500%. Russians of Scandanavian-Israelite stock have been subjected to systematic starvation since 1917, and by 1945 Germany lay in ruins. Still after this inter-family war, the rivalry between Israelite nations has carried on.

Instead of coming together, the Saxons preferred to make treaties, pacts and friendships with non-Israelite nations who were their bitter enemies, and even passed laws to punish Israelites who refused to join with these aliens. They are branded as **racists.** (While considered prdper for Israelites in Britain and America, to hate South African Israelites, or Australian Israelites, or Dutch, or German Israelites, they are expected to love their worst enemies, those who have openly vowed to destroy **White Christian Civilization,** and put them on a pedestal as God Chosen. How stupid can intelligent people become? - MOHR).

The Bible tells us that after all the curses of God will bring against us to cau~se us to obey, if we still refuse to love our own people and serve Christ, more evil will befall us. God says in essence, "if you love the non-Israelite heathen so much, I will give you into their hands until you are throughly sick of them."

In **Ezekiel 7,** speaking of the latter days in which we are now living, it predicts famines for our people. (The great Depression in America killed many; 7 million died in the Ukraine and millions in middle Europe after 1945 (see **verse 15**). Today the United States has less than a 30 day supply of emergency food on hand in case of a national disaster - MOHR).

We lost our culture and the World has become de-colonized from the 1950's, yet (every Black Republic in Africa, is now infinitely worse off under Black rule, than they were under White colonialism. Check and see for yourself - MOHR).

Still our Israel people refuse to repent! **Verse 21** - tells us that strangers will take our inheritance and pollute it. The beauty of our colonial times has been burnt, towns bombed, burned and striped and left in ruins. We have been ethnically cleansed and few of our Christian people seem to care. (Their watchword has become, "I'm born again, you know, and Jesus will come back and **RAPTURE** me out of this mess before it gets all that bad!", not taking into consideration that the mess was caused by their own apathy and disobedience! What will these do when they discover there will be no Rapture? - MOHR).

Verse 22 tells us that God[1]s protection will depart from us, our wealth will have no meaning (as **verse 19** - "They shall cast their silver in the streets, and their gold shall be removed: their silver and gold shall not be able to deliver them in the day of the wrath

of the Lord**..."**) In **Verse 21** we see how strangers shall take over our heritage. "And I (God) will give it, (Israel's heritage) into the hands of the strangers for a prey, and to the wicked of the earth for a spoil, and they shall pollute it."

God's protection will be taken from us, **Verse 22** - "My face will I turn from them, and they shall pollute my secret place: for the robbers shall enter in and defile it." Then if we still refuse to listen **Verse 23** says, "Make a chain: for the land is full of bloody crimes, and the city is full of violence." If you can't see this happening now, it's because you have deliberately closed your eyes to the truth. **Verse 24,25,26** - "Wherefore I will bring the worst of the heathen, and they shall possess their (Israel's) houses: I will also make the pomp of the strong to cease; and their holy place will be defiled Destruction cometh; and they shall seek peace, and there shall be none. Mischief shall come upon mischief, and rumour shall be upon rumour; then shall they seek a vision of the prophet; but the law shall perish from the priest, and counsel from the ancients (leaders)." Today, our streets are being "taken over by the worst of the heathen," it is becoming dangerous in many places to leave your home and walk in the streets. At last, we will be forced to realize that God is still on His throne, and that He is still **BOSS.** His laws will replace those of the Supreme Court and the Constitution. It will replace Congress and the Parliament.

Communism, Socialism, Nazism, Fascism, Democracy will come to a shuddering halt. Only God's theocracy will remain. When we accept this, then and only then will our people overcome. We will overcome when we separate ourselves from the non-Israelite, their laws and customs. Then will the true Israel nations overcome and tise to glory. Not because we are so good, but because our King is God. We will over come and rise to our place of glory, when we learn to be obedient. (This is why I say over and over again that OBEDIENCE TO GOD AND THE DISCIPLINE IT BRINGS MUST COME BEFORE WE CAN HAVE VICTORY -MOHR).

John the Baptist was an Elijah type that made ready the way for Christ's first work on this earth, to buy back His Israel people and cover their sins. This message is part of an Elijah ministry, as we must once again proclaim to true Israelites that they must obey God's Law and hold fast to the testimony of Jesus and prepare His people for His return. This entails the removal of sin, since sin is the transgression, breaking of His Law, (see **1 John 3:4).** Our Israel people have been bought by Christ's blood, as He came to "save us fr6m our sin disobedience (see **Matthew 1:21**). When we learn to obey, we will be restored as His people!

Brother Adam De Witt has given permission for this message to be reprinted to further awaken our people, but with the warning to those who would use it to hinder God's work. The Lord will not be mocked!

I have exercised **editorial license** and added parts where I thought they would help, they are in parenthesis, with my name at the end - MOHR.

IN CONCLUSION

Many who read this book will be angry and repulsed by it's TRUTH. You may attempt to label me with epithets such as **hate monger, anti-Semitic,** or even **Neo-Nazi.** I have found over many years in God's service, that many people who go by His name, do not

want to know the truth! And "None is so blind as he who refuses to see the TRUTH."

For some reason that I cannot understand and don't always appreciate, God made me a **WATCHMAN** on the **walls of Israel America.** My task is not to make you feel good, but to give warning when I see danger to you, ala **Ezekiel 33:6 -** "If the watchman see the sword (danger) come, and blow not the trumpet, and the people be not warned; if the sword (danger) comes and takes any away **...**his blood will I require at the watchman's hand." So my brothers and sisters, I am more interested in God's approval than yours, and if you read this book, you will never be able to say **I didn't know!** You have heard the TRUTH, now the responsibility to follow it is between God and you.
